a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The Premises Licence holder shall ensure that all staff are trained in the main principles of the Licensing Act 2003, notably the promotion of the four licensing objectives, and the specific conditions of this premises licence before being allowed to sell alcohol.

Training shall be recorded in documentary form. Training records shall be made available for inspection and copying at reasonable times upon request of an authorised officer of a responsible authority.

Training records will be retained for at least 12 months.

The Designated Premises Supervisor shall co-operate with reasonable requests made by authorised officers of responsible authorities under the Licensing Act 2003 to ensure the licensing objectives are not undermined.

b) The prevention of crime and disorder

A CCTV system shall be installed to cover all entry and exit points enabling frontal identification of every person entering in any light condition.

The CCTV system shall continually record and cover areas where alcohol is kept for selection and purchase by the public, whilst the premises is open for licensable activities. It shall operate during all times when customers remain on the premises.

All recordings shall be stored for a minimum period of 31 days with correct date and time stamping and shall be made available immediately upon the request of Police or an authorised officer of the council throughout the preceding 31 day period.

A staff member from the premises who is conversant with the operation of the CCTV system, shall be on the premises at all times when the premises are open to the public. This staff member must be able to show a Police or authorised council officer recent data or footage with the absolute minimum of delay when requested.

CCTV shall be downloaded on request of the Police or authorised officer of the council. Appropriate signage advising customers of CCTV being in operation, shall be prominently displayed in the premises.

A documented check of the CCTV shall be completed weekly to ensure all cameras remain operational and the 31 days storage for recordings is being maintained.

A premises daily register shall be kept at the premises. This register shall be maintained and kept for a rolling period of 12 months. The register shall record all incidents which may have occurred which are relevant to the supply of alcohol and the promotion of the licensing objectives. Such incidents shall include, but not be limited to, complaints made to the premises alleging nuisance or anti-social behaviour by persons attending or leaving the premises and all refusals to sell alcohol.

The register shall be readily available for inspection by an authorised person upon reasonable request.

The premises licence holder shall not sell super strength beer, lager or cider with an alcohol content of 6.5% ABV (alcohol by volume) or greater. This restriction shall not apply in respect of the specialist branded, premium priced, products - for example craft ales, local or micro-

brewery specialist products, boxed gifts or national celebratory/commemorative beer, lager or cider with an alcohol content of 6.5% ABV or greater.

An adequate and appropriate supply of first aid equipment and materials shall be available on the premises.

Regular checks and maintenance shall be carried out on all equipment, electrical installations, emergency lighting and fire alarms and equipment to ensure their continued safe operation. A written record of these checks shall be kept and made available to an authorised officer of the licensing authority.
