

Register of Declaration of Interests 2009/10

Decisions of the Hartlepool Partnership Board must be taken and be seen to be taken in the interest of the well being of Hartlepool.

The purpose of the Register of Members' Interests is to provide information of any pecuniary interest or other material benefit which:

- A member believes could come into conflict with their responsibilities as a member of the Board or Theme Partnership
- A member receives which might reasonably be thought by others to influence his or her actions.

For details of the information which are required to be registered, please refer to the questions in each section of the form. Each section must be completed, therefore if you have nothing to declare please indicate "none". We would encourage members to respond as completely as possible however, as a guide if within one calendar year each individual item exceeds £600 then it must be declared.

If there is not enough space in any section of this form for the information required, additional sheets may be attached to it; but each sheet should be signed and dated.

Subsequent changes or additions to your entry must be notified to the Partnership Support Team within four weeks of any change occurring.

The Declaration of Interests Record will be kept by the Partnership Support Team at Bryan Hanson House and will be made available as public Documents.
