HATE CRIME

Hate crimes are any crimes that are targeted at a person because of hostility or prejudice towards that person's:

- Disability
- Race or Ethnicity
- Religion or Belief
- Sexual Orientation
- Transgender identity

How to Report Hate Crime

You can contact the Police directly on **999** for an emergency
or
101 for a non emergency

If you don't want to speak directly to the police you can report crime at a **Third Party Reporting Centre**.

They can provide you with support and can forward details of the incident to the police.

This does not have to include your contact details if you don't wish the police to investigate the incident, but can alert the police to areas where hate crime is a particular issue.
