1. England and regional totals have been rounded to the nearest 10. Other numbers have been rounded to the nearest 5. Percentages have been rounded to the nearest whole number. See Technical Notes for more information on rounding.
2. Historical data may differ from older publications. This is mainly due to the implementation of amendments and corrections sent by some local authorities after the publication date of previous materials.
3. Only the last occasion on which a child ceased to be looked after in the year has been counted.
4. Percentages based on the number of children that ceased to be looked after during the year.
