

**Access to WiFi is provided on the understanding that you comply with the terms set out in this Acceptable Use Policy.**

- Use of laptops and other devices on library premises is at your own risk. Please do not leave devices unattended.
- Laptops and other devices may be plugged in only if they have proof of a current PAT test (see staff for details).
- Laptops and other devices should only be plugged in at the designated 'laptop friendly' areas of the library (see staff for details).
- We only allow the legal download of music, from approved sites. We do not permit making unauthorised copies of music, images or other media.
- Headphones must be worn when listening to audio material (the library does not provide these).
- We accept no responsibility for the validity or quality of information available via the internet and cannot vouch for the security of internet sites, therefore any financial transactions are undertaken at your own risk. Library staff are not permitted to undertake any transactions on customers behalf.
- You must not deliberately access any sexually explicit, racist or other offensive material. It shall be at the discretion of Hartlepool Borough Council as to what constitutes offensive material. A filtered service is provided, but this cannot guarantee complete protection from offensive material.
- Staff may terminate a computer session if these conditions of use are broken, or if the Library byelaws are contravened. Hartlepool Borough Libraries reserve the right to suspend or ban any user from access to the WiFi Service.
