

## Autumn Term Governor Briefings

Governors are invited to register for the Autumn term briefing sessions. As greater expectations and responsibilities are placed on the roles of school governors it is important that governors keep themselves up to date with current practice. These briefings provide bite size information to help you find out more about the issues affecting our schools.

The Autumn term sessions will include presentations, information and discussion on the following topics:

- \* Emotional Wellbeing Transformation Plan - an overview of the national initiative on wellbeing and mental health and Hartlepool's Action Plan in response to this.
- \* An update on school finance and financial responsibilities.
- \* HR update - including updates on pay policy criteria for TLRs, performance management, appraisal policy, career stage expectations and employment law.
- \* Governance update - a regular slot informing governors on current issues around governance.

Governors can chose one of the following sessions. Registration and light refreshments will be available from half an hour beforehand:

Wednesday 2nd November - 3.30 pm to 5.30 pm
