Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Please see boxes b) to e) below and we further note that Tesco is a large national operator with a range of head office and local support. The company has devised policies, procedures, systems and training to ensure that they can sell alcohol in a responsible manner.

There is a detailed staff training programme which ensures that comprehensive training is provided to employees having regard to their role and the responsibilities and such training is regularly refreshed and appropriate records kept

b) The prevention of crime and disorder

The premises will have digital CCTV system that covers many areas of the shop floor, including the main area which will be used for display of alcohol, should we be successful with our application.

Images will be retained for a minimum of 21 days and made available for inspection upon reasonable enforcement request.

Ordinarily, a member of the Management team will be on the premises all the time the store is open. A person will have responsibility for the premises whilst the premises are open

c) Public safety

The premises licence holder is fully aware of its responsibilities under a range of health and safety related legislation and has appropriate policies and procedures in place to be confident of complying with the relevant obligations which arise

d) The prevention of public nuisance

Employees are made aware of the need to have regard to the surrounding area and be aware of the needs of any local residents.

In addition, the company has a "good neighbour" policy which seeks to ensure that the premises play an active part in the local community

e) The protection of children from harm

The premises will operate its own Think/Challenge 25 policy. As part of the underlying system all tills will be programmed to prompt the checkout assistant when an alcohol product is scanned at the till to follow the Think/Challenge 25 policy.

Staff will receive appropriate training both in relation to the underlying law but also the Tesco policy and systems and procedures. This training will be documented and repeated as often as Tesco believes to be appropriate.

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.
2. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
3. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
4. For example state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
5. For example (but not exclusively), where the activity will occur on additional days during the summer months.
6. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
7. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
8. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
10. Please list here steps you will take to promote all four licensing objectives together.
11. The application form must be signed.
12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
13. Where there is more than one applicant, each of the applicants or their respective agents must sign the application form.
14. This is the address which we shall use to correspond with you about this application.
