

APPLICATION FOR THE GRANT OR VARIATION OF A CLUB PREMISES CERTIFICATE

LICENSING ACT 2003

This guidance document is designed to help you, please read it all carefully. If the Council receives application forms or other documents that are incomplete, missing or incorrect the application will be returned to you.

Most clubs such as sporting and private members clubs should apply for a Club Premises Certificate. The alternative licence is a Premises Licence that authorises the premises to sell alcohol to members of the public in addition to club members and their guests. Only qualifying clubs may obtain a Club Premises Certificate. Please read carefully the enclosed document for details of how to qualify as a club.

The main advantage of having a Club Premises Certificate is that there is no legal requirement for a named individual to be responsible for the supply of alcohol. Premises Licences require the nomination of an individual, called a Designated Premises Supervisor, to be responsible for sales of alcohol. Clubs do not require such a person.

To assist you, this guidance also refers to documents by a quoting a reference number such as *Club/01*, *Club/02* or *Club/03*. This reference number can be found by looking in the bottom right-hand corner of the various forms that have been sent to you.

Copies of Application

When you make your application, the law requires you to send a copy of your application to a number of other organisations. The attached table in Appendix I illustrates who you should send information to.

A copy of your application must be sent to the Police and a number of other organisations, called 'responsible authorities'. These copies must be sent at the same time as you apply to the Council. A full list of the responsible authorities, and their addresses, is attached in Appendix I.

Application Form

Applications to vary a current club premises certificate should be made on the form *Club/03*. New clubs should make their application on the forms *Club/02* & *Club/03*.

If you are proposing to have any of the following activities on your certificate you must detail them on the application form.

Activities covered by the Licensing Act 2003

- Sale of alcohol,
- Supply of alcohol by or on behalf of a club,
- Regulated entertainment (see below),
- Late night refreshment

Regulated entertainment means: -

- Performance of live music* (see note below)
- Any playing of recorded music,
- Performance of, or offering facilities for, dancing,
- Performance of a play,
- An exhibition of a film,
- Indoor sports events,
- Boxing or wrestling entertainment,
- Anything similar to the above, or offering facilities for any of the above.

***NOTE (Live Music exemption)**

Recent changes to the law now mean that Live Music is no longer regulated entertainment in venues licensed for the sale or supply of alcohol for consumption 'on the premises', in the following situations:

- *When it is unamplified and takes place between **8am** and **11pm**; and*
- *When it is **amplified** and takes place in the presence of an audience of **200 persons** or less between **8am** and **11pm**.*

The premises must be open for the sale or supply of alcohol during the time that the live music is provided for the exemption to take effect.

Additionally, any condition attached to a Premises Licence relating to live music ceases to have effect unless the condition was attached as a result of a Premises Licence 'Review' hearing.

Venues which are NOT licensed for Alcohol

*Premises which are not licensed for alcohol sales can also have live music which is **unamplified** providing it takes place between **8am** and **11pm**.*

Therefore 'amplified live music' in non-licensed venues will still require formal authorisation from the Licensing Authority, such as a Club Premises Certificate, Premises Licence or Temporary Event Notice.

You should only request 'Live Music' on the application form for situations where it would require a formal authorisation e.g. after 11pm and amplified events where there will be more than 200 people, etc.

Plans

The law requires you to submit detailed plans of the premises to which the application relates. These plans will be used by organisations such as the Police, Fire Service and Health and Safety when they assess your application. The plans must be drawn to a scale of 1:100 and contain all of the following information.

- a) the extent of the boundary of the building, if relevant, and any external and internal walls of the building and, if different, the perimeter of the premises;
- b) the location of points of access to and egress from the premises;
- c) if different from b) above, the location of the escape routes from the premises;
- d) in a case where the premises is used for more than one existing licensable activity, the area within the premises used for each activity;
- e) in a case where an existing licensable activity relates to the supply of alcohol, the location or locations on the premises which is or are used for consumption of alcohol;
- f) fixed structures (including furniture) or similar objects temporarily in a fixed location (but not furniture) which may impact on the ability of individuals on the premises to use exits or escape routes without impediment;
- g) in a case where the premises includes a stage or raised area, the location and height of each stage or area relative to the floor;
- h) in a case where the premises includes any steps, stairs, elevators or lifts, the location of the steps, stairs, elevators or lifts;
- i) in a case where the premises includes any room or rooms containing public conveniences, the location of the room or rooms;
- j) the location and type of any fire safety and any other safety equipment; and
- k) the location of a kitchen, if any, on the premises.

The Fee

The fee you must pay to obtain your certificate depends on the rateable value of the premises to which the application relates. A table of fees is attached as Appendix II to help you calculate the appropriate fee.

Advertising Your Application

If you are applying to vary your current certificate you must advertise what you intend to do.

The law requires you to do this in two ways: -

- Display a predominant Notice on the premises, for at least 28 consecutive days, which can be easily read from the exterior of the premises; and
- Place a Notice in the Hartlepool Mail

The law requires you to advertise your application to allow for local people to make comments to the Council.

A copy of the pale blue A3 Notice (*Not-02*) to be displayed on the premises can be obtained from the Licensing Team. Obviously this is a standard form and requires you to complete it with details of your application before it is displayed.

The Notice placed in the Hartlepool Mail must contain all of the information that is displayed on the above premises Notice. This must be done within ten working days following the date of your application.

After 28 days you must complete and return a statement to the Council confirming that you have advertised the application on the premises and when it was advertised in the Hartlepool Mail. This letter (*Dec1*) is attached as Appendix III.

It is a criminal offence to knowingly or recklessly make a false statement concerning a licence application.
