Dear Sir/Madam

Re: Hartlepool Borough Council DfT Funding Bid – Construction of a New Grade Separated Junction on the A19 and Elwick By-Pass

I write on behalf of Cecil M Yuill Limited to confirm we fully support Hartlepool Borough Council's bid to DfT for funding towards the provision of the new grade separated junction on the A19 and the Elwick by-pass.

These infrastructure works are key to the Council achieving their Local Plan housing strategy which seeks the release of land on the western edge of Hartlepool for housing.

Yours faithfully
For and on behalf of
CECIL M YUILL LIMITED
