## Admissions Criteria

Sometimes there are more applications for schools than there are places available. If this is the case, then places are offered up to the school's admission limit using the admissions criteria for the school. The criteria for Hartlepool schools can be found in the 'Education in Hartlepool – September 2018' booklet which is available on our website. **Please note – living in the catchment area/attending a feeder school or having a sibling link does not automatically guarantee a place.**

*Please ensure that you read the admissions criteria for each of the schools you wish to apply for, and supply any relevant supporting documentation by the closing date.*

The table below shows the number of places available in each secondary school for admission into Year 7 in September 2018.
