

Admissions to Year 9 for September 2018

Atypical Schools				
Name	Address	Tel No.	Website	Details
Discovery School	Blandford Street Newcastle upon Tyne NE1 3BT	0191 272 1111	www.discoveryschool.org.uk	<p>Discovery School gives you more focused option choices than a traditional school as you're able to choose the subjects you wish to study, rather than choose from option blocks that fit into a traditional timetable and might include subjects in which you have no interest. Specialist curriculum includes Science, Technology, Engineering and Maths (STEM) related.</p> <p>Links and project work with employers and higher education provides are there to ensure you are given the best possible preparation to secure a university place, apprenticeship or employment when your studies are complete.</p> <p>At Discovery School you will learn in inspiring facilities that include up to date, industry standard, science, technology and engineering equipment, developing the practical 'hands-on' skills and experiences that will equip you for the world of work or further study. A wide range of after school clubs also take place twice a week, allowing you to get involved in group activities based on your area of interest.</p> <p>For 2018 entry, the local authority admissions process will be open from September until 31st October 2017. Any local authority applications submitted after the 31st October will still be accepted but will not be considered until after those which were submitted on time. Late applications must also be submitted to your home local authority.</p>
