Welcome!

The Selective Licensing Steering Group has been established to oversee the private landlord licensing scheme here in Hartlepool. As well as Council Officers and Partner Agencies, membership includes Resident and Landlord representatives.

As Chair of the group I'd like to welcome you to the Landlord edition of our first newsletter, to provide you with information about Selective Licensing and also links to other items which you may find useful:

- [Focus on Landlord obligations](#)
- [Message from Hartlepool Neighbourhood Policing Team](#)
- [How to report Anti Social Behaviour](#)
- [HM Revenues & Customs campaign](#)
- [Useful Website Links and Contact Details](#)

I hope you enjoy reading this newsletter and, as it contains a lot of information, retain a copy for your future reference.

*Regards
Councillor Kevin Cranney*
