

Hartlepool Local Plan

Examination Hearings

Matter 14: Flood Risk

Wednesday 11 October 2017 – Late AM

Participants:

Hartlepool Borough Council

Key documents/references:

EX/HBC/26-56 Updated Strategic Flood Risk Assessment Report & Mapping

EX/HBC/31 – Correspondence from Environment Agency 16 August 2017 – removing objection

Planning Practice Guidance – Flood Risk & Coastal Change March 2014

Agenda

1. *Flood Risk – Policy CC2 generally and site specifics*

See Inspector's Matter 14 questions 1-5 and SQ1. Additionally the Inspector wishes to discuss:

- (a) The modifications suggested by the Environment Agency in their correspondence dated 16 August 2017
- (b) Clarification of main modification to Policy QP6 regarding water quality
- (c) Clarification of main modifications arising from the updated SFRA work (Council's response to Supplementary Question SQ1). What is the status of the recommendations at Section 8 of the SFRA Level 1 report (EX/HBC/26)?

Session ends.
