

## Summer Term Governor Briefings

Governors are invited to register for the Summer term briefing sessions. These briefings provide an excellent opportunity in a friendly and informal setting to help you find out more about governance matters and issues affecting our schools.

The Summer term briefings have a health and wellbeing focus with presentations on the following topics as well as the usual governance updates:

- \* **Social Emotional Mental Health** - schools are faced with increasing pressures in dealing with SEMH issues. This session provides an update on support provision for our schools. The session will be led by Kelly Armstrong, Head of Service for Children's Commissioning.
- \* **Designated Teacher Role in School** - Emma Rutherford, Virtual School Headteacher will discuss changes to the Designated Teacher role for looked after children.
- \* **Future in Mind** - following requests by governors to be kept informed about progress with the Healthy Hartlepool Schools initiative on which governors received a presentation last year, Jacqui Braithwaite, Principal Educational Psychologist will deliver a progress report on the Future in Mind project.

Governors can choose one of the following sessions:

**Tuesday 8th May 2018**

**9.30 - 11.30 am**

**3.30 - 5.30 pm**

**6.00 - 8.00 pm**

Registration and light refreshments will be available from half an hour beforehand.

**Please note the new venue for these briefings**

Venue: Centre of Excellence in Creative Arts (former Northern Lights Academy),  
King Oswy Drive, Hartlepool, TS24 9PB
