FREE SCHOOL UNIFORM?

Have your children outgrown their uniform or are you finding it difficult to find the money for new uniforms?

The Children's Hub has a free school uniform scheme and also welcomes donations of good quality school clothing. We hold a wide range of quality recycled clothing such as trousers, skirts, dresses, shirts, polo shirts, sweaters, blazers and sports kit - with or without school logos in different colours and sizes. This includes primary and secondary school uniform for boys and girls. In some cases we can provide new uniform including coats and shoes.
