## What is the YEI Programme?

**The Tees Valley Pathways and Routeways programmes are part-funded by the European Social Fund and supported under the Youth Employment Initiative.**

The programme aims to support young people across the Tees Valley aged 15 – 29 who are unemployed and/or not in education, employment or training until the end of July 2022.

- Tees Valley Pathways offers personalised education, employment and enterprise opportunities alongside innovative activities and bespoke support.

- Tees Valley Routeways offers employment and learning opportunities in partnership with employers linked to growth sectors such as construction, advanced manufacturing and logistics.

We have a partnership of 22 organisations who can support you to achieve your ambitions and help you to progress into education, employment, training or self employment.
