

Waverley Community Garden

Are you interested in volunteering?

Do you like being outdoors? We can provide a range of skill building opportunities, companionship along with physical and mental health benefits, for all ages.

We are looking for new volunteers to join our lovely team at Waverley Community Garden.

Waverley Community Garden is an environment, which uses gardening and other activities to bring about positive changes in the lives of people living with disabilities, ill health or those who could be disadvantaged or vulnerable.

Vision

To create a healthy and safe environment in which you can unlock your potential and reach your goals!

Mission Statement

To promote and support healthy living by providing and maintaining a safe and stable horticultural environment where respect and positive behaviour are encouraged.
