

A VIDEO FROM OUR MANAGING DIRECTOR

Friday 30th October

Following my email last night, you will be aware we are having ongoing discussions with the Government about its intention to take the Tees Valley into Tier Three restrictions.

Nothing has been agreed and we anticipate further discussions on Monday.

As always, we will continue to prioritise the health and wellbeing of our residents, supporting businesses and saving jobs, as we press for the best possible outcome for Hartlepool.

You can watch my latest video update by [clicking here](#).

Have a great weekend and thank you for your ongoing support.

Denise
