#### VARIATION

Do you want the proposed variation to have effect as soon as possible?

Yes  No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes  No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

#### Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

Our premises is a small cafe (able to seat 52 people), and we are hoping to start some evening events such as a quiz night, craft evenings and possibly some night time Christmas meals in December. All alcohol bought on premises would be consumed either on premises, or on our outside tables (we have 4 benches next to our entrance door on the pavement outside).

Will the performance of live music take place indoors or outdoors or both?

- Indoors       Outdoors       Both

Where taking place in a building or other structure select as appropriate. Indoors may include a tent.

State type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

We may wish to host an evening event such as a Christmas meal, with a musician playing in the background. The music would be at a reasonable decibel as it would be while people are eating and chatting so we wouldn't want it to be too loud with it being a small venue. The sound might be amplified slightly but will not be loud enough that people couldn't talk over it.

State any seasonal variations for the performance of live music

For example (but not exclusively) where the activity will occur on additional days during the summer months.

### LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

We will train the staff to promote all of the licencing objectives below. We will not tolerate disorderly behavior, including the consumption of customer's own alcohol or drugs. We will promote the safety of the public, and especially children at all times. Staff reserve the right to refuse service to anyone acting disrespectfully to staff or others.

b) The prevention of crime and disorder

We will provide CCTV to prevent disorderly behavior.

c) Public safety

We will not allow glass bottles outside of the premises, and will not sell alcohol to anybody already drunk. We will put a notice up to encourage people to be respectful to the public when leaving the cafe, and we will put up posters to encourage people to drink responsibly and deter them from drink driving.

d) The prevention of public nuisance

We will not play music to a noise level that can be heard outside of the building. If we do have live music on we will make sure that it is not too loud, and that it is appropriate. The live music would also be on an evening when the other shops are closed to avoid it affecting their services.

e) The protection of children from harm

All staff will be trained on the safeguarding of children within the business. We will operate a challenge 25 policy, and all staff will be trained to be cautious when carrying hot food and drinks. We will not allow children onto the premises after
