**Please state the ground(s) for review** (please read guidance note 2)

King Kaz pizzeria has a premises licence allowing the provision of late night refreshment until 0300 hours, seven days a week.

The premises has been observed trading until as late as 0500 hours on a number of occasions.

In addition, the premises licence holder has been advised by the Licensing Service that King Kaz pizzeria was being used as a base for an unlicensed taxi driver but despite this, the unlicensed driver has continued to operate from the premises.

**Please provide as much information as possible to support the application** (please read guidance note 3)

The premises licence holder is aware of the licensed hours on the premises licence but it regularly trades much later.

There is a condition attached to the premises licence requiring CCTV to be used and for footage to be made available to the police or licensing service on request.

A request has been made for such footage and nothing has been provided.

There is a condition attached to the licence that doorstaff must be provided after 2300 hours at weekends. A request has been made for proof of this condition being complied with but nothing has been provided.

The licence holder has also been advised that someone suspected of acting as an unlicensed taxi driver has been operating from the premises. The licence holder denied this, and of knowing the driver in question, but evidence will be provided at the review hearing demonstrating that the driver is, without question, associated with the premises and is known to staff.

Hartlepool Borough Council has strict vetting policies for taxi drivers so that the general public can travel in safety – particularly late at night when they may be more vulnerable. Unlicensed taxi drivers have not been vetted and therefore may present a risk for the travelling public. As the unlicensed driver operates from King Kaz, the premises is not promoting the public safety licensing objective.

Statements, documents and CCTV footage will be provided as evidence prior to the licensing hearing.
