Please give a general description of the premises (please read guidance note 1)

The premises are at 121-123 Raby Road, which road forms part of the B1277 that runs from Hartlepool Power Station to the south to the junction with the A179 near the University Hospital of Hartlepool to the north. The premises are situated on the west side of the road, to the south of the traffic light-controlled crossroads junction with the B1376 Hart Lane.

The premises consist of, what were probably originally, two purpose built retail units, now used as one unit, in a parade of single storey shops (with cellars). The parade of shops includes a gift shop, barbers, bakery, takeaway and a post office.

To the east side of Raby Road, terraced housing is set back and at a right angle to Raby Street, so the nearest houses do not face Raby Road or the premises. There are no windows in the gable end of the end terraced house nearest the premises.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

Home Office online right to work checking service

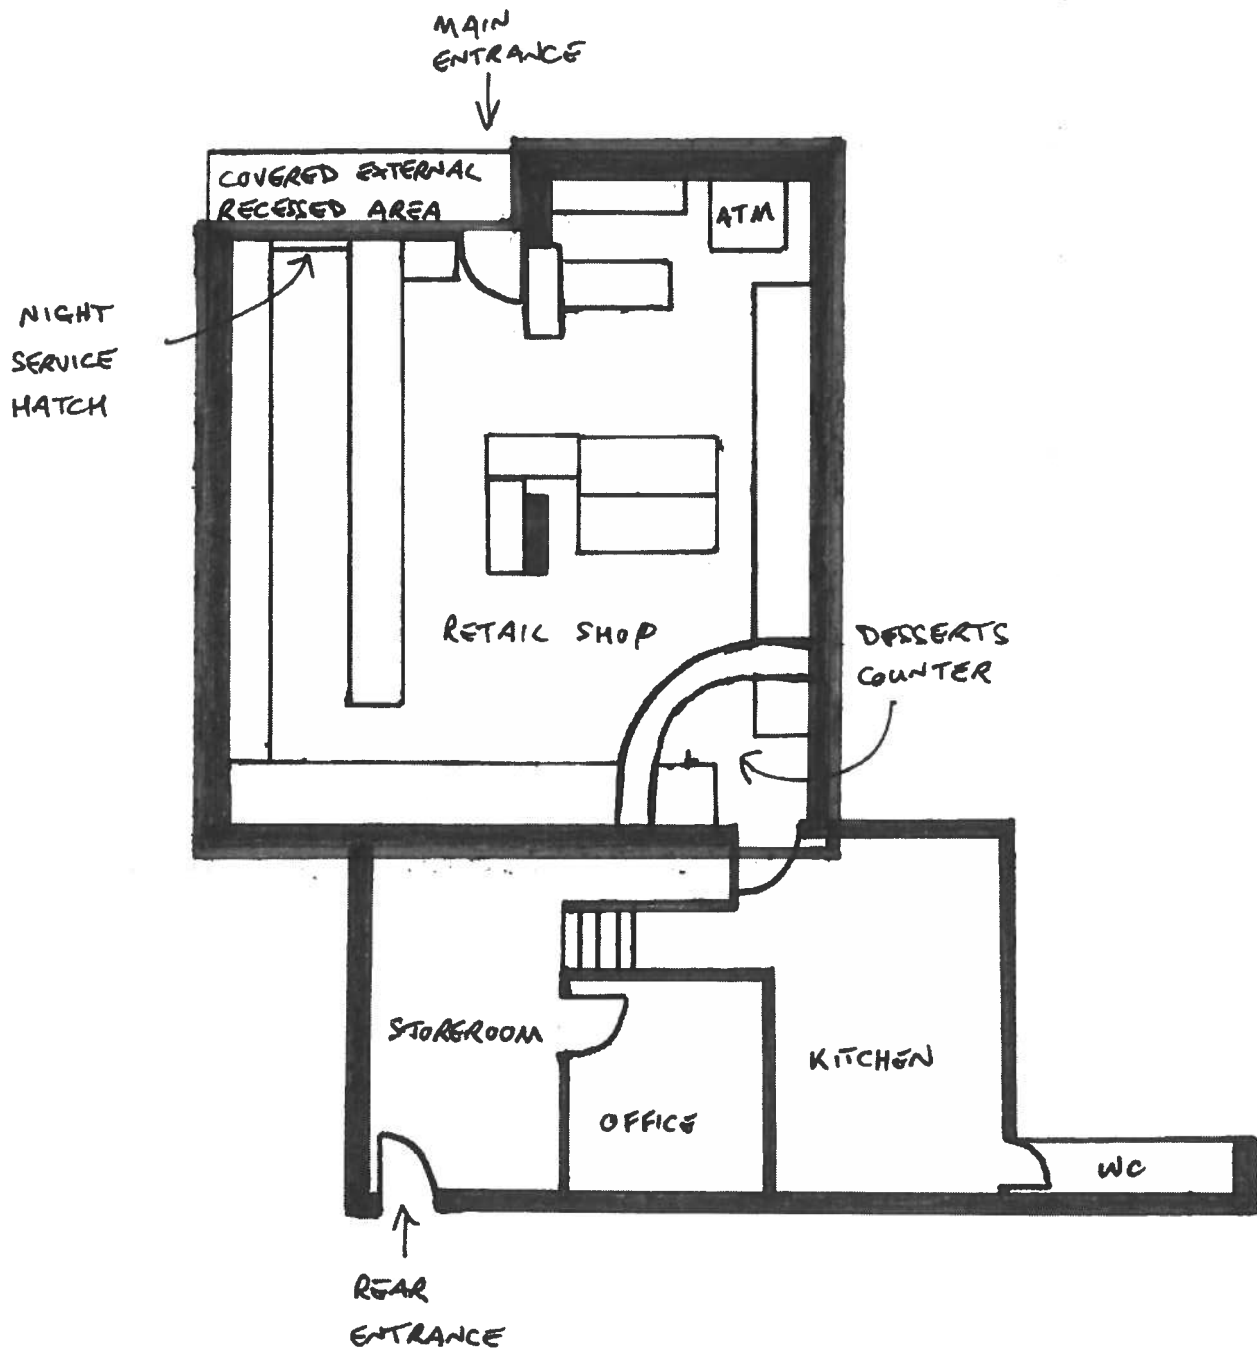

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
