

## Hackney Carriage Ranks

Hackney Carriage Ranks are places where a licensed Hackney Carriage can wait to ply for hire.

There is a system in place for drivers who use these ranks. When a customer is approaching the rank they should take the first car but they can choose another vehicle if they so wish. When the front car moves off, the car immediately behind should then move up to take its place at the front of the rank and then each vehicle behind it should in turn move forward.

If a driver comes to a rank and they see that there is no space, they should move to another rank.
