VARIATION

Do you want the proposed variation to have effect as soon as possible?

Yes No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

Change 1: Change of business name from SW R&H LTD to SW OPERATIONS LTD. The company number and all other details remain the same.

Change 2: Removing the condition for customers to purchase a table meal before being able to purchase alcohol as the restaurant is expanding its number of events (such as quiz nights) in which some customers may not want something to eat. We have also had customer requests for purchasing just a drink as they are not comfortable in the town centre's pubs and clubs when wanting a quiet drink in the area.
