

OVERVIEW OF APPLICATION PROCEDURES FOR ADMISSION TO ALL SCHOOLS

For all schools, parents/guardians must be invited to express at least 3 preferences on a common application form, in the rank order they wish their child to receive an offer of a place, and invite parents/guardians to give their reasons for each preference. This form can be obtained from the Local Authority (LA) School Admissions Team and Hartlepool Borough Council's website. Parents/guardians can also apply through the on-line admissions application system accessed via Hartlepool Borough Council's website. Applications should be submitted to the LA by the published closing date. Places at any school are offered on the basis of equal preference rank order and where an offer is made it is for the highest ranked school at which the LA is able to offer a place.

The LA must inform other admission authorities of any application made for their schools and pass on any relevant supporting information, excluding parental preference of rank order information. Each preference must be considered by the admission authority of the school concerned, where appropriate. The school should then provide the LA with a list of all children who have applied for a place, ranked in order of priority under the school's admission arrangements.

Parents/guardians who are resident in one LA but who wish to apply for a place at a school maintained by another LA apply for a place through the maintaining LAs common application form. Neighbouring LAs must inform each other of applications received in respect of children from their LA area who wish to obtain a school place in another LA area.

The LA will then compare the lists for all schools in its area. When a child is eligible for a place at only one of the preferred schools, a place at that school will be offered to the child. Where the child is eligible for a place at two or more of the preferred schools, they will be offered a place at whichever school is the highest ranked. Where the LA cannot offer a place at any of the preferred schools, the offer of a place will be made at the nearest school to the parental address that has places available.

If an application is unsuccessful, upon request a child's name may be placed on a waiting list for a specific year group. The position on the waiting list is determined in accordance with the published oversubscription criteria with no reference to length of time on the waiting list. If a place subsequently becomes available, the place will be offered to the next child on the waiting list. Waiting lists for Community and Voluntary Controlled Schools are maintained by the LAs Admissions Team for the full academic year. At the end of the academic year, the waiting list will automatically expire. It is the responsibility of the parent/guardian to request their child's name is placed on a waiting list for the following/future year on an academic year basis. For own admission authority schools, please refer to the school's admissions policy, as schools are not obliged to hold waiting lists indefinitely.

Parents/guardians are also offered the right of appeal if they are not satisfied with the offer of a place.

The LA will accept applications which are received late only when there is evidence of a very exceptional circumstance which prevented submission by the stated deadline and only if the application is received before the date the allocation procedures begin. These will then be treated in the same way as all other applications. In the event of a late application not being accepted or receipt is after the date the allocation procedures begin, and the school(s) requested are oversubscribed, then places will be offered at the nearest school with places available.

All applications for school places during the normal admission round must be co-ordinated by the maintaining LA. LAs must develop a co-ordinated admission scheme by 1 January 2023 and implement the scheme on 1 September 2023.

This Scheme is made by Hartlepool Borough Council (Hartlepool LA) under The School Admissions (Admission Arrangements and the Co-ordination of Admission Arrangements) (England) Regulations 2014.

A separate Scheme exists in relation to primary schools and in year admissions.

SCHEDULE 1

PART 1 – THE SCHEME

1. There will be a common application form (SAF) supplied by the LA for the purpose of enabling parents living in the Borough of Hartlepool to express up to three preferences for their child to be admitted to a secondary school in Hartlepool or to a school or schools in another LA area for the academic year 2024/25.
2. The common application form must be used as a means of expressing one or more preferences for the purposes of Section 86 of the School Standards and Framework Act 1998 by parents resident in the LA area wishing to express a preference for their child:
 - (a) to be admitted to a maintained secondary school, academy, free school or UTC within the LA area (including voluntary aided and foundation schools).
 - (b) to be admitted to a maintained secondary school, academy, free school or UTC located in another LA's area (including voluntary aided and foundation schools).
3. The common application form will:
 - invite parents to express three preferences in rank order of reference including any schools outside the LA's area;
 - allow parents to explain the reasons for their preferences;
 - specify the closing date and where it must be returned;
 - include a supplementary section, as part of the application form, to be completed by parents/guardians who express a preference for an own admission authority school to enable them to provide any relevant additional information.
4. The LA will make appropriate arrangements to ensure that a common application form is available on request from the LA and from its website, in line with the timetable attached at **Schedule 2**. The facility to apply on-line will also be made available via the LA's website.
5. Governing Bodies of Aided Schools or the relevant Trust for Academies, as the Admissions Authority, must notify the relevant LA immediately of any application made direct to them in error.

Processing of Application Forms

6. Completed application forms should be made to the LA by 31 October 2023. Where a preference has been received for a voluntary aided, voluntary controlled, foundation or academy, free school or UTC, the relevant supplementary information should be provided by the parent at the same time.
7. Completed application forms which are received for very good reason after the closing date will be accepted and treated as on time applications provided they are received by 19 January 2024, before the date the allocation procedures begins. Examples of very good reason include: when a single parent has been ill for some time, or has been dealing with the death of a relative; a family has just moved into the area or is returning from abroad (proof of ownership or tenancy of a property within the Borough of Hartlepool as the main property will be required in these cases). Other circumstances will be considered and each case decided on its own merits. Parents/guardians must, however, provide clear evidence for the LA to consider as to why they could not submit an application during the preference period. The determination of the LA will be final.

8. In the event that an application is received after the allocation process begins, the admission authorities will be unable to accept the application irrespective of exceptional circumstances. Such an application will be considered after all allocations of places where a parent has expressed a preference.

Determining Offers in Response to the Application

9. The LA will make the offer of a school place to the parent/guardian of every child living within the Borough of Hartlepool, commencing secondary education in September 2024 who applies for a place at a maintained school/academy/free school/UTC.
10. The LA will determine the offer of a potential place for community and voluntary controlled schools in Hartlepool in its capacity as the Admission Authority **having no regard to order of preferences**. For voluntary aided schools, academies, free schools, UTCs or schools in another Local Authority area, the relevant Admission Authority will inform the LA of the potential offer of a place*. Hartlepool LA will then be responsible for making the offer of a place in accordance with this Scheme.
11. By 17 November 2023, the LA will notify other LAs if a school in their area has been listed as a preference on the common application form. Information of the application will be forwarded electronically to the relevant LA for consideration.
12. By 17 November 2023, the LA will provide the Admission Authority for each of the Hartlepool schools indicated on the common application form with an electronic list of preferences, **excluding parental preference information***.
13. By 19 January 2024, the Admission Authority for each school will provide the LA with a list, in rank order, in accordance with their admission criteria of all pupils who applied for a place at the school*. The LA will then match this ranked list against the ranked list of the other schools nominated.
14. By 22 January 2024, the LA will match the provisional offers of places against each parent's ranking and proceed as follows:
 - Where a child is eligible for a place at only one of the preferred schools, a place at that school will be offered to the child.
 - Where the child is eligible for a place at two or more of the preferred schools, they will be offered a place at whichever school is the highest ranked.
 - Where none of the preferences can be met, the child will be offered a place at the nearest school with a place available.
16. No later than 31 January 2024, the LA will inform other LAs of places in Hartlepool schools/academies/free schools/UTCs to be offered to their residents and on 1 March 2024 the LA will inform its schools/Academies/Free Schools of the pupils to be offered places at their schools/academies/free schools/UTCs (or the next working day if the offer day falls on a weekend).
17. By 28 February 2024, the LA will publish their appeals timetable on their website.

* Unless a local agreement exists for the LA to undertake this function on behalf of an own admission authority.

18. On 1 March 2024, the LA will communicate to all parents/guardians residing within the Borough of Hartlepool to whom the offer of a place can be made, notifying them of the offer of a place at:

- (a) One of the preferences on the common application form; or
- (b) The nearest school with a place available

If the application was submitted online, the applicant will be able to view the outcome via the LA's website on 1 March 2024. If requested at the time of application, an e-mail will be automatically sent on 1 March 2024. If an on-line applicant is unsuccessful at gaining a place at a preferred school, an allocation letter will also be posted second class on the offer day (or the next working day if the offer day falls on a weekend) to the child's home address. This letter will include information about how to accept/decline a school place, waiting lists and how to appeal against the refusal of a school place.

Parents/guardians who applied on a paper application form will be sent an allocation letter by second class post on 1 March 2024 (of the next working date if the offer day falls on a weekend/bank holiday) to the child's home address. This letter will include information about how to accept/decline a school place, waiting lists and how to appeal against the refusal of a school place.

18. The LA's communication will ask parents/guardians to confirm their acceptance of the place and inform them that if they are not satisfied with the offer of a place they have the right of appeal if they so wish. Allocation letters will include contact details for the LA and those nominated own admission authority school where they could not be offered a place, so that they can, if they wish, lodge an appeal with the Governing Body or Academy Trust. The communication will also give parents the opportunity of having their child's name placed on the waiting list for a place at the preferred school(s). The communication will also state, where relevant, why a place could not be offered at a higher ranked school.

19. Parents will also receive details on what to do if they wish their child to be considered for any places that might become available in schools they ranked higher than the school they are offered, in the reallocation process set out below.

20. Parents will be sent a reminder 2 weeks after the National Offer Day (1 March 2024) allowing a further 7 days to respond to the request that they confirm their acceptance of the place. Letters will warn the parent that if they do not accept the place within the next 7 days, the offer of a place will be withdrawn.

21. If the parent fails to reply to the letter from the LA within the deadline (see paragraph 20), the parent will be issued with another letter confirming that the place has been withdrawn and offered a place at the nearest school to the pupil's home that still has a place available.

Re-allocation of Places/Bulk Round 2

22. From 21 March 2024, the admission authority will re-allocate any places that may have become vacant since the 1 March 2024 offer date. Consideration will be given to all applicants including:

- those who have not been offered any school place because their applications were late ie after 19 January 2024 (see paragraph 7 and 8);
- those who have been offered a school place but who now wish to apply for a place at an alternative school;
- those who have placed their details on a waiting list.

23. Places will be re-allocated by applying the admission authority oversubscription criteria. From 21 March 2024 the LA will liaise with the governing body for voluntary aided, foundation and academies, free school or UTCs regarding further applicants so that they can be ranked using the admission authority's oversubscription criteria.

Waiting Lists

24. All waiting lists must be compiled in accordance with the relevant admission authority's admission criteria and places offered accordingly.

PART 2 – LATE APPLICATIONS

25. Applications received after the closing date of 31 October 2023 and prior to 23:59 on 19 January 2024 will be considered and, as far as possible, offered a school place on 1 March 2024. Applications received by the closing date take priority over late applications, however applications which are received for very good reason after the closing date will be accepted and treated as on time applications provided they are received by 19 January 2024, before the date the allocation procedures begins.
26. For applications received between 20 January 2024 and 20 March 2024, the LA will, on 21 March 2024, the re-allocation day, offer a place in accordance with parental preference, where possible, and if not possible, at the nearest school with places available. These will be considered equally along with other applicants that are on the waiting lists.
27. For applications received between 21 March 2024 (the re-allocation date) and 31 August 2024 inclusive, offer/refusal communications will be sent out within 14 days of the LA receiving the application form. Any parent/guardian directly approaching a school must be referred to the LA. The LA will offer a place at the school highest in the parent's order of rank that has a place available, or if this is not possible at nearest school that has a place available. For those who do not receive a higher preferred school the waiting lists will continue to operate.
28. Applications received on or after the beginning of the 2024/25 academic year will be processed in line with the In-Year Admissions Scheme.

PART 3 – NO APPLICATION RECEIVED

29. Where no application form is submitted, the LA will write to the parent/guardian on 1st March 2024 advising parent to contact the Admissions Team to pursue a school place.

PART 4 – ADMISSION OF CHILDREN OUTSIDE THEIR NORMAL AGE GROUP

30. Where a child has been educated out of their normal age group, the parent may again request admission out of the normal age group when they transfer to secondary school. It will be for the admission authority of that school to decide whether to admit the child out of their normal age group. The admission authority will make a decision on the basis of the circumstances of each case and in the child's best interests, and will bear in mind the age group the child has been educated in up to that point.
