Type of decision

Purpose of report

To consider the recommendations of the Pride in Hartlepool Steering Group in respect of proposals for community projects.

Issue(s) for consideration by Portfolio Holder

The Pride in Hartlepool Steering Group recommended the following projects for approval:-

- St Joseph's Primary School – a contribution of £1,000 toward the cost of an Outdoor Eco Classroom project.
- Great Big Autumn Tree Giveaway – a contribution of £1,000 toward an initiative to encourage people to improve their local area by giving away plants for communities to plant in their own neighbourhoods.
- West Park Primary School – a contribution of £1,000 toward funding for a school garden project
- Elwick Wildlife Gardens – a contribution of £215.62 toward the purchase of a power strimmer

- Pride in Hartlepool 'Big Tidy Ups' – a contribution of £3,750 toward costs of this event

The Portfolio Holder asked that if there were any future applications for funding to purchase equipment officers investigate whether said equipment be purchased through the Council's procurement process at a lower price than that quoted by the applicant. The Pride in Hartlepool Officer advised that this process was already in place for the purchase of planting via Tanfield Road Nursery. The Head of Procurement, Property and Public Protection commented that there might also be previously used equipment which could be provided free of charge.

Decision

That the recommendations of the Pride in Hartlepool Steering Group be approved.

The meeting concluded at 9.15am.
