Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Hello.

I am objecting to a planning application for hartlepool marina where mama marina was . I object to this as I feel there is enough night activities already on the marina and adding one more would make things worse for us residents trying to live there .

So I object to the planning for late night alcohol and entertainment .

[REDACTED]

So one more establishment doing the same would be terrible.

Hello.

Yes I do object as I feel that we suffer enough with what goes on [REDACTED] gangs who sit outside of there drinking and being very loud and rowdy is bad and I really don't want to have to put up with more noise and disruption to our lives .

Good afternoon.

I have seen the notice for the proposed licencing for the property which used to be mama marina.

I object to the alcohol and entertainment licence. I object as I feel there are enough bars on the marina and for the residents living in the apartments above which I do myself I feel we have enough noise from people who visit and people who cone to get drunk and cause noise pollution. I understand that not everyone does this but it is really bad from a Friday to Sunday. All I would like is tk have some peace whilst living in my home and feel a extra bar with loud music and revelers would cause more nuisance.
