#### 10. APOLOGIES FOR ABSENCE

Apologies for absence were received from Councillors Arthur Preece and David Young.

#### 11. MINUTES OF THE MEETING HELD **ON 13 NOVEMBER 2009**

The minutes were confirmed as a true record.

## **12. MATTERS ARISING**

Councillor Geoff Lilley advised that Jutland Road Community Centre was not on a bus route and requested that this be considered when booking future venues. The Chair indicated that given the high rental costs of alternative venues during her tenure all meetings of the South Forum would take place at Owton Manor Community Centre.

## **13. UPDATE FROM THE POLICE**

Inspector Mick Brown provided an overview of crime in the Cleveland Force and also the South area of Hartlepool. Force-wide figures were down for House Burglaries. Violent Crime. Criminal Damage, Vehicle Crime and other theft while Drugs activity had risen. This trend had positive continued in Hartlepool, with the exception of violent crime which had risen by 8.6%. The numbers of arrests, cautions, charges, warrants, AS13s and Street encounters in the South area of the town were also given.

Inspector Brown also highlighted a number of items of interest including Police and Communities Together (PACT) and Operation Vantage. Members were advised that following information from residents there had been several drug seizures in the South area.

Partnership working had also helped alleviate anti-social behaviour problems at Fens Shops.

The following issues were then raised:

Children and Young People - Resident Representative Mary Green commented that police were no longer an authority figure to children and more should be done to encourage them to be scared of the police. She disagreed with the practice of putting a desk in schools and to be friends with trvina children. Inspector Brown felt this was a valid point but the fact that children were more ready to engage with the police could only be a good thing. It was important that police were not aloof and that the views of children were heard. He acknowledged that some children could be cheeky to the police but this was true of some adults too and officers were always told to stand their ground in such situations.

Visual audits and PACT - Councillor Geoff Lilley commended officers on the PACT meeting at Fens Shops. commenting that he felt this was more user friendly than visual audits. Inspector Brown advised that he was keen to give the public more opportunities to engage with the police. If people wanted to attend they could. Visual audits gave a further opportunity for public engagement. Councillor Christopher Akers-Belcher indicated that the timings of the visual audits were inconvenient for anybody who worked, something he had brought up previously with no response. He was still receiving reminder notifications but his position had not changed. He asked that officers reconsider the timings as the visual audits would be less effective without key personnel in attendance. Inspector Brown advised that previously the timings of visual audits had been changed and less people had attended. The dates and times were not set in stone

but at the same time they had to be set at a time when the majority of people were able to attend. Officers would contact Councillor Aker-Belcher to try to find a solution to the problem.

Inspector Seaton Carew – Brown confirmed that Acting Sergeant Chris Stonehouse would be the new officer for Seaton Carew.

The Chair thanked Inspector Brown for attending the meeting and answering questions.

## **14. REDUCING REOFFENDING TEAM**

Due to the unavailability of the CJIT Operations Manager this item was withdrawn from the agenda.

#### **15. UPDATE FROM THE FIRE** BRIGADE

The Fire Brigade representative, Peter Bradley, gave details of the number of incidents in the South Area of the town between November 2009 and January 2010, where there had been a drop in all types of fire. It was acknowledged however that the inclement weather may have contributed to these figures. The work of the arson task force was highlighted.

The Neighbourhood Manager referred to youth provision work at Brierton Sports Centre and Jutland Road, funded through various sources including the Home Office Participatory Budget, the Criminal Justice Community Cashback scheme and Neighbourhood Action Plan Budgets. Resident Dorothy Clark highlighted the current risk to Greatham Community Centre which was used by people of all ages and queried who was responsible for distribution of funding. Councillor Geoff Lilley supported these comments, saying that the community centre fulfilled

a desperate need. A drop in funding would lead to an increase in charges which could affect the viability of groups such as the breakfast club and karate club, both used by young people. The needs of the elderly were also a major issue. The Neighbourhood Manager acknowledged this but advised that the work at Brierton Sports Centre and Jutland Road was funded using monies specifically targeted at youth provision. Greatham Youth Group had been a recipient of such funding the previous year. The future of Greatham Community Centre was a much wider issue.

The Chair thanked the Fire Brigade representative for attending the meeting.

#### 16. ANTI-SOCIAL BEHAVIOUR UNIT UPDATE

The Senior Anti-Social Behaviour Officer gave details of recent activity in the unit, including information on which categories complaints had fallen into, whether cases had been dosed satisfactorily and what action had been taken to close the case. This information was provided for the Anti-Social Behaviour Unit and Housing Hartlepool, information as was on customer satisfaction rates. Details were also given of take-up of the Good Tenant Scheme.

Members were advised that a number of categories relating to anti-social behaviour and good citizenship had been introduced to the annual Pride in Hartlepool awards. Highlighted in particular was Resident Donna Hotham's award for the Individual making the greatest contribution to community safety for her work at St Patrick's Shops. Information on various awards to staff from the Anti-Social Behaviour Unit and Housing Hartlepool was outlined and members were advised that the Anti-Social Behaviour page on the HBC website had recently been updated with

details of anti-social behaviour. The annual anti-social behaviour awareness event would take place at the Borough Hall 8<sup>th</sup>-11<sup>th</sup> February 2010.

**Playbuilder** - Resident Representative Mary Green referred to recent decisions by the Planning Committee to reject proposed Playbuilder sites. The Senior Anti-Social Behaviour commented that he had not been personally involved in that process but any development had to be looked at in terms of its effect on community safety. All interested parties had given their opinions on the proposals prior to the decision being made.

Funding - Councillor Gerald Wistow felt that the work of the Anti-Social Behaviour Unit underlined the need for early intervention and prevention. Local Government spending was expected to be cut by the next Government and early intervention had traditionally been a targeted area. Councillor Wistow felt that the proven effects of early intervention should be highlighted to Council. It would be self defeating to cut these services. Councillor Geoff Lilley drew members' attention to a recent discussion on Radio Hartlepool on the positive effects of early intervention on the Owton Ward in a short space of time.

The Chair thanked the Senior Anti-Social Behaviour Officer for attending the meeting and answering questions.

#### 17. SAFE IN TEES VALLEY ASSERTIVE OUTREACH SERVICE

Christine Davidson, Cleveland Police Youth Manager, gave a brief presentation on the work of the Safe in Tees Valley Assertive Outreach Service. This was a service for children and young people which identified vulnerable children and young people to try to reduce and prevent anti-social behaviour by challenging inappropriate behaviour and signposting them to local activities and services. Details of the service core elements, introductory key performance indicators and introductory delivery were outlined and contact information given. Since the service started in November 2009 work had been undertaken in King Oswy Drive, Clavering, Fens Shops and Milbank Road.

**Timings** - Councillor Steve Gibbon referred to a previous initiative which had been ineffectual because of the timings. The Youth Manager advised that the Assertive Outreach Service was provided as and when required and the times were varied. Details of the current programme would be emailed to Councillor Gibbon.

**St Patrick's Shops** - Resident Representative Mary Green queried a previous reference to parking problems at St Patrick's Shops. Genevieve Crawford advised that the mobile unit had previously been parking on the main road because the school gates were shut and this had not been felt to be ideal. Members suggested that Safe in Tees Valley officers contact the school to try to work round a solution.

**Leaflets** – Councillor Alison Lilley asked if the leaflets given out on the mobile unit were verbally reinforced given potential illiteracy problems amongst the young. Genevieve Crawford confirmed that they were and that officers would always confirm the writing skills of anyone being asked to complete a form.

The Chair thanked the Cleveland Police Youth Manager and members of her staff for attending the meeting and answering questions.

#### 18. CRIME AND DISORDER CO-ORDINATION UPDATE

Sergeant Dave Galloway gave a brief update on the work of the Safer

4

Hartlepool Partnership in reducing crime and disorder. A major aspect of this was funding and ensuring that monies from Government Officer North East were used effectively. People could apply for funding through Community Cashback and Community Cohesion. Members were also advised that an event heralding the success of participatory budgets was due to be held at Belle Vue Community 17<sup>th</sup> Sports and Youth Centre on February 2010. A representative from the Home Office would be in attendance. Anyone wishing to attend was asked to inform the Safer Hartlepool Partnership in advance.

The Chair thanked Sergeant Galloway for attending the meeting.

## **19. PUBLIC QUESTION TIME**

No issues

#### 20. ISSUES RAISED BY COUNCILLORS AND RESIDENT REPRESENTATIVES

Seaton Carew - Councillor Mike Turner requested that the benches on the front be repainted. He also referred to requests for an improved crossing at the end of Warrior Drive and Coronation Drive. The Neighbourhood Manager to with highlight this the highways department.

Fens Car Park - Councillor Geoff Lilley reported that there was still no signage for the disabled parking bays. The Neighbourhood Manager to chase this up.

Jutland Road Police Station - The Chair requested an update. Inspector Brown advised that he had made a commitment to retain the Jutland Road However there were funding station. issues and there had been some discussion between senior officers and

various agencies regarding a move to Wynyard Road. Inspector Brown felt completely pulling out of Jutland Road would have a dramatic negative effect on the community. Members agreed that the Chair should write to Cleveland Police requesting that the Jutland Road station remain open

The meeting concluded at 11.40am

South Area Police & Community Safety Consultative Forum

Friday 23<sup>rd</sup> April 2010

# What we have all achieved

- Annual Crime in Cleveland fell by 13% and is now the lowest level on record.
- In Hartlepool our most recent figures show that only 608 recorded crimes were reported in January compared to January 2009 where we recorded 768 a 20.8% reduction. We have seen significant reductions in areas such as Burglary, Vehicle Crime and Criminal Damage.

# What we have all achieved.....

- On Monday 4<sup>th</sup> January 2010 Cleveland Police started Face-to-Face crime recording, this allows officers to speak to every victim of crime and will ensure we improve the quality of service we provide.
- Since February 2009 total crime in Hartlepool has fallen by 13% that means 93 fewer victims of crime.

# HMIC praises performance in Cleveland

 One of only four forces to achieve a 'good' score rating in the three key categories of local crime and policing, protection from serious harm and confidence and satisfaction.

# HMIC praises performance in Cleveland

Roger Baker from HMIC said

<sup>6</sup> Cleveland is one of the top performing forces in the country in terms of public confidence in the police and the way it handles calls. Recorded crime has fallen over the past three years and the force has been particularly successful in tackling burglary and robbery.'

# Message from Chief Constable.....

Cleveland currently has its lowest levels of recorded crime and is consistently one of the top performing forces in the country when it comes to public confidence. The HMIC report shows us as being particularly strong in these areas.

'Putting People First' means that Neighbourhood Policing is fully embedded in Cleveland, and we are working closely with our local communities to tackle the issues that matter to them.

We are not complacent and we recognise that there are still areas for improvement, which have been highlighted in the report

The Policing Pledge is a national set of promises to the public which every police force has signed up to.

- Always be treated with dignity and respect
- Provide you with information regarding who your dedicated NHP team is, where they are based and how to contact them.
- They will spend at least 80% of their time visibly working in your neighbourhood.
- Respond to every message directed to your neighbourhood policing team within 24 hours.
- Aim to answer 999 calls within 10 seconds

• Answer all non-emergency calls

promptly.

- Arrange regular public meetings to agree your priorities, at least once a month.
- Provide monthly updates on progress, and on local crime and policing issues.
- If you have been a victim of crime agree with you how often you would like to be kept informed of progress.
- Acknowledge any dissatisfaction with the service you have received within 24 hours of reporting it to us.

We want to do our best for you but if we fail to meet our Pledge we will always explain why it has not been possible on that occasion to deliver the high standards to which we aspire and you deserve.

In January 2010, 99.5% of all 999 calls were answered within target of 30 seconds

Over the last 12 months 98.8% have been answered within 30 seconds

99.5% of non 999 calls were answered within target of 30 seconds for January 2010.

Over the last 12 months 99.8% of non 999 calls were answered within target of 30 seconds.

Neighbourhood policing teams attend a monthly community consultation meeting and also have established 'Cuppa with a Copper' and 'PACT' 'drop in' meetings which have been warmly received

## Introduction.

- Home office allocated £80 million to support delivery of handheld computers. It is expected 30,000 officers will benefit by March 2010.
- The mobile information programme enables improves officer's ability to use and share information whilst out on patrol.
- These devices are changing the way police officers work reducing the need for officers to return to the station by giving them access to vital information "at the point of police officers.

## Chief Constables Message

"Through Putting People First we are equipping our officers and staff with the latest technology that enables them to deliver a truly citizen focused policing service."

"We know that members of the public want to see more officers out on the beat, and activity analysis done at Hartlepool shows that these devices are allowing officers to spend up to 20% more time out on the streets."

"Other benefits include reduced paperwork and bureaucracy for officers and staff, and we are also seeing an increase in intelligence reports that are being submitted electronically. This helps us build up a picture of what is happening in a particular ward area, so that we can target our resources more effectively."

The Role of Mobile Information

- Query and submission of tasking.
- Submission of warrant logs.
- Submission of crime logs.

# Team Cleveland (Project Cupid) what have we got to be proud of?

- Over 700 devices deployed.
- £7.9 million invested by Cleveland Police Authority.
- 10 year strategy.
- Communication strategy resulting in national publicity; the highlight being the then home secretary Jacqui Smith meeting Chief Constable and Police Authority Chair to learn about our device and technology.
- Increased visibility of frontline staff.
- Specialist officers also being trained with device.
- Recognised by NPIA as one of the best to measure benefits and manage change.

## Meeting the Future Needs of the Public

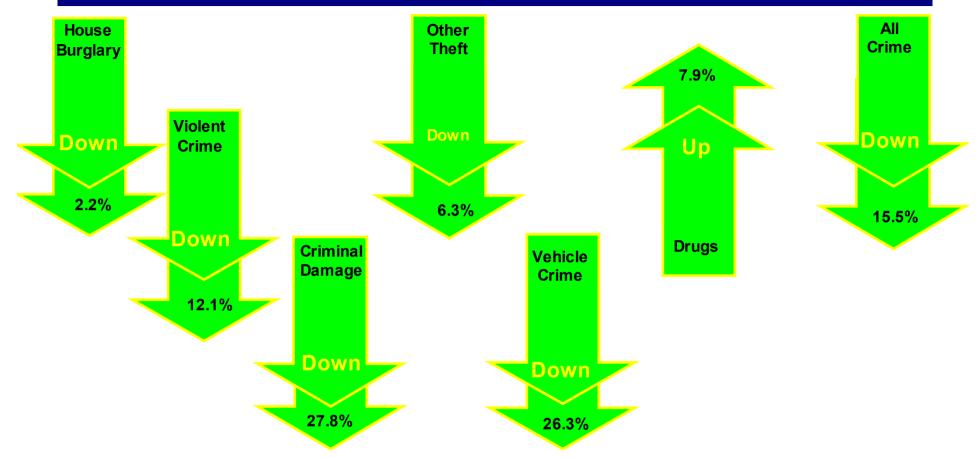

- More officers "on the streets" despite uncertain funding arrangements.
- More accessible service.
- Improved feedback and updates.
- Expansion of Neighbourhood Policing.
