CULTURE, LEISURE AND TOURISM PORTFOLIO

DECISION SCHEDULE

Tuesday, 15 February 2011 at 10.00 am

in Committee Room A, Civic Centre, Hartlepool

Councillor H Thompson, Cabinet Member responsible for Culture, Leisure and Tourism will consider the following items.

1. KEY DECISIONS

No items

2. OTHER ITEMS REQUIRING DECISION

2.1 Fees & Charges Increases For 2011/12 – Director of Child and Adult Services

3. ITEMS FOR INFORMATION

3.1 Child & Adult Services Departmental Plan 2010/2011 – 3rd Quarter Monitoring Report – *Director of Child and Adult Services*

4. REPORTS FROM OVERVIEW OF SCRUTINY FORUMS

No items

CULTURE, LEISURE & TOURISM PORTFOLIO

Report to Portfolio Holder 15 February 2011

Report of: Director of Child and Adult Services

Subject: FEES & CHARGES INCREASES FOR 2011/12

SUMMARY

PURPOSE OF REPORT

To provide the Portfolio Holder with the annual review of fees and charges proposed for 2011/12 and provide commentary upon those pricing categories which are demonstrating a significant increase. The increases relating to the Hartlepool Maritime Experience were considered at the Portfolio meeting on the 18th January to allow for publishing deadlines in the marketing and tourism literature, they are included within this report for completeness.

2. SUMMARY OF CONTENTS

The fees and charges income is a very important element of service provision and the more income that can be achieved, then the net cost of financing our wide range of services is reduced. The current list of charges is over 700 strong and are reviewed regularly. They are continually benchmarked against other service providers and regional neighbouring authorities. The report provides a commentary against each area of service and highlights particularly challenging increases.

3. RELEVANCE TO PORTFOLIO MEMBER

Fees & Charges in relation to all areas of Community Services and Parks & Countryside are the responsibility of the Portfolio holder.

4. TYPE OF DECISION

Non key.

5. DECISION MAKING ROUTE

Culture, Leisure & Tourism 15 February 2011.

6. DECISION REQUIRED

The Portfolio Holder is recommended to:

(i) Approve the revised schedule of fee and charge increases for 2011/12.

Report of: Director of Child and Adult Services

Subject: FEES & CHARGES INCREASE 2011/12

PURPOSE OF REPORT

1.1 To provide the Portfolio Holder with the annual review of fees and charges proposed for 2011/12 and provide commentary upon those pricing categories which are demonstrating a significant increase. The increases relating to the Hartlepool Maritime Experience were considered at the Portfolio meeting on the 18th January to allow for publishing deadlines in the marketing and tourism literature, they are included within this report for completeness.

2. BACKGROUND

- 2.1 The Community Services division of the Department and that of Parks and Countryside within Regeneration and Neighbourhoods is heavily reliant upon earned income from a wide variety of fees and charges to maintain service levels and opportunities across the Borough. In total we have in excess of 700 separate fees and charges which are regularly reviewed and updated. These do not include the commercial prices charged at the cafeterias and the ticket prices at the theatre and events which are priced according to costs on an individual basis.
- When dealing with relatively small fees, it can be appropriate to leave as existing then revise by a larger percentage every few years. In other instances, conscious decisions are made to leave fees as existing, or even reduce them to meet specific areas of disadvantage and encourage use. On balance the fees and charges are increased by inflation and are rounded to the nearest 5p.
- 2.3 The purpose of this report is to seek Portfolio approval to the exceptions which have been identified. These have arisen as part of the current budget setting process and seek to redress specific areas where fees and charges have either been unable to keep pace with the cost of provision or have been benchmarked against regional and sub regional comparators to ensure Hartlepool pricing is not undervalued.

3. AREAS FOR CONSIDERATION

- There are a significant number of changes this year therefore the full range of fees & charges is attached at **Appendix 1.** The commentary will focus on those areas of significant increase and it should be noted that the increases also reflect the rise in VAT to 20% where applicable, which became effective from the 1st January 2011.
- Sport & Recreation Mill House Leisure Centre and the Headland Sports Hall. The increases in fees in this area vary between 13% 20% in respect of swimming and between 0.6% 16% on dry side activity. An example of the pricing increase is Casual swimming adult from £2.80 to £3.30 and an Active Card concession (adult) from £1.45 to £1.65 per session. The increases reflect the outcome of the Service Delivery Review conclusions which not only approved an increase in general charges to better reflect the average price for competitor or neighbouring local authority facilities but it also includes where possible, the automatic provision of the changing room lockers cost. Where this has been built into the prices, users will receive a non returnable token for the locker where formerly it was a returnable coin.

All swim charges will therefore include the cost of a token for a locker. (Also season ticket holders, swim lesson participants and pool hire participants). In addition, all Active Card holders (whether member or concessionary) will also have the use of a token built into the charge (wet or dry activities). However, any one else wanting to use a locker will have to pay a 20p charge for a token at Reception.

This will also overcome the growing habit of users attempting to take sports bags into the facility areas which creates trip hazard risks as well as being a security risk etc.

- 3.3 **Sport & Recreation** Sports Development the increases in fees in this area range from 0.6% 13.3%, the highest % change being reflected in *the team trailer hire to schools from £48.15 to £52.50 per hire period* within school.
- 3.4 **Sports & Recreation** Summerhill a significant review of charging has been undertaken in this area with greater focus placed on free use of casual access to such uses as orienteering and the boulder park. This simply reflects actual use of the Summerhill facility as an open access area.

A new set of charges has been developed for Instructor led courses on the basis of limited group numbers to reflect the Health and Safety guidelines for such coaching instruction. The fee levels are set at a level to ensure such course income reflects the cost of coaching tuition hire. The charge differentials between weekday and weekend course also reflect the enhanced pay costs for weekend working.

There are some very significant % rises for room hire at Summerhill for meetings/functions, however these are simply being brought into line with community buildings charges, the highest % change being reflected in the use of the Main Hall (concessionary) from £5.25 to £16.00 per hour.

3.5 Parks & Countryside – The increases reflect the necessity in the wake of Service Delivery Review outcomes to ensure service fees and charges are benchmarked more appropriately against regional and sub regional comparators. It is many years since a comparable price comparison exercise was carried out in this suite of service delivery areas. The realignment of service charges runs parallel with other efforts by the section to encourage and develop appropriate partnership agreements for joint provision of service elements. The concept here being certain service provision costs are shared between the Local Authority and user groups or partner organisations. These measures it is hoped will assist in helping to ensure the continued ability to provide good facilities and services for users into the future.

Details of the comparators are provided in the appendix to this report. With specific regard to the service areas; seasonal football/ rugby charges see increases under the benchmarking exercise but it should be noted even with these increases the comparable costs are still on average half that applied by our regional neighbours as teams can get access to 20 matches instead of 10 if booked at the same time. It should also be remembered that seasonal bookings can also benefit under most common situations from being exempt for VAT and the details of this can be provided upon booking at Mill House.

Casual football/rugby bookings form a small proportion of activity and the pricing structure provides good value for money with each team member's contribution equating to approximately £1.76 per game adults and £1.00 per game for under 16's. Cricket charges have been benchmarked at or below national average as a regional local authority comparator has not been available and this has also highlighted the local authority's continued commitment to public provision of this particular service. Bowling fees shown here are those proposed by the local authority, in reality the town's bowling greens are currently run in partnership with the bowling consortium and subject to an annual rent. The consortium applies its own charges to both seasonal and casual users to fund this annual payment and as such the charges shown would only be applicable if bowling green's come out of the consortium agreement at some point in the future. Fees for artificial turf pitch again form a small proportion of activity and have been revised in line with the charges made by neighbouring authorities.

- 3.6 Cultural Services - Theatre and Borough Hall - the range of charges is retained and allows for a very wide range of different uses with a focus on the strength of each offer, hence the Town Hall theatre is largely used by block bookings of dance schools for competitions and pantomimes complemented by professional programming by either the halls management or via the commercial agencies. The increases in fees range from 7% to 20%, the latter being to maintain differentials and reflect increased costs particularly on weekends. At the Borough Hall the nature of use varies dramatically and a wider range of pricing exists to cater for community use and major commercial uses, the fee increases vary between 4% and 20%. The Performing Rights charges are predetermined by the PRS and the increase in price from £25 to £32 (or 3% box office receipts) is a reflection of this and applicable to all hires who qualify.
- 3.7 **Cultural Services** Museum, Art Gallery and Wingfield Castle room hire, this is an area that has modest previous hire due to the nature of the spaces available when set against their daily visitor requirements, however greater scope exists for the hire of the Wingfield Castle as a self contained function venue and the pricing is realistically levied, indeed the Sunday fees are reduced due to a reduction in cost for providing Sunday staffing.
- 3.8 **Cultural Services** Museum and Tourist Information Centre there are a considerable number of reproduction fee categories, these are increased inline with national reproduction fee rates, this is a scale of charges that exist 'should the need arise' and we then have available whenever called upon. It can be a source of occasional and intermittent income.
- 3.9 **Tees Archaeology** a new charge for 'talks' is introduced at a fixed fee of £25, this will bring modest income but will assist in covering staff time in ever challenging times and reflects the expectation by societies etc that they would normally pay for visiting speakers.
- 3.10 **Libraries & Community centres** the capacity for fee and charge income within Libraries is very limited indeed, however where rounding occurs this invariably gives % increases which appear large but clearly fall into the category of small amounts and only occasional increase eg Library fines from 10p to 12p is 20%. A decrease is given of 37% in online reservation charging and this is quite deliberate to encourage on line self reservations of books and materials.

The increases within Community Centre charging is all kept within 3.2% to 5.3%.

4. FINANCIAL IMPLICATIONS

- 4.1 The proposed range of increases is challenging in some areas, however wherever such increases are proposed it is done in the knowledge that either the 'market' will bear such increases or more importantly the level of increase has been assessed and bench marked against our local competitors or neighbouring local authorities. Invariably Hartlepool continues to have some of the lowest pricing in exchange for the services provided and we have to be careful that we guard against low income generation which will only serve to reduce the value of the service and generally mean the service 'nett cost' becomes more expensive and potentially unsustainable.
- 4.2 This in itself creates a budgetary pressure and this is magnified by the challenges that the current budget reductions are creating in seeking to maintain good services across the full range of cultural and leisure facilities that the Borough Council provides. For this reason, if no other, it always better to look at the actual pricing being proposed, rather than the illusory and often damning headline that a simple percentage rise can give.

5. CONCLUSIONS

- 5.1 The annual review of prices has resulted in increases which in part are above inflation and some that are significantly above that. The fees nevertheless are structured to allow for a wide range of concessions and beneficial pricing for those who take advantage of concessionary cards, active cards, quay cards etc. Furthermore the charges vary from individual pricing to team or session pricing which can then become very reasonable when set against the number of participants potentially involved.
- It is important to reflect upon the fact that these charges will still ensure that Hartlepool rates remain very competitive when compared to regional and sub regional comparators and help to maintain investment and income levels to continue to provide good cultural and sporting facilities.

6. RECOMMENDATIONS

The Portfolio Holder is recommended to:

(i) Approve the revised schedule of fee and charge increases for 2011/12.

SUMMARY

1. PURPOSE OF REPORT

To inform the Portfolio Holder of the progress made against the Child and Adult Services Departmental Plan 2010/11 in the first three quarters of the year.

2. SUMMARY OF CONTENTS

The progress against the actions contained in the Child and Adult Services Departmental Plan 2010/11, the third quarter outturns of key performance indicators and associated risks.

3. RELEVANCE TO PORTFOLIO MEMBER

The Portfolio Member has responsibility for performance management issues in relation to Culture, Leisure & Tourism.

4. TYPE OF DECISION

Non-key

5. DECISION MAKING ROUTE

Culture, Leisure & Tourism Portfolio – 15 February 2011.

6. DECISION REQUIRED

Achievement on actions, indicators and risks be noted.

Report of: Director of Child and Adult Services

Subject: CHILD & ADULT SERVICES DEPARTMENTAL

PLAN 2010/2011 - 3RD QUARTER

MONITORING REPORT

1. PURPOSE OF REPORT

1.1 To inform the Portfolio Holder of the progress made against the key actions identified in the Child & Adult Services Departmental Plan 2010/2011, progress of key performance indicators for the period up to 31 December 2011 and associated risks.

2. BACKGROUND

- 2.1 The Child and Adult Services Department includes Community Services, reporting to Culture, Leisure and Tourism Portfolio Holder, and Adult Services, Adult Education and Supporting People reporting to the Adult and Public Health Portfolio Holder, and Children's Services reporting to Children's Services Portfolio.
- 2.2 The Child & Adult Services Departmental Plan 2010/11 sets out the key tasks and issues with an Action Plan to show what is to be achieved by the department in the coming year. The plan also describes how the department contributes to the Organisational Development Improvement Priorities as laid out in the Corporate Plan. It provides a framework for managing the competing priorities, communicating the purpose and challenges facing the department, and monitoring progress against overall Council aims.
- 2.3 In 2008-09, the Council introduced a new electronic Performance Management Database (Covalent) for collecting and analysing corporate performance. The database collects performance information detailed in the Corporate Plan and the specific Departmental Plans. The aim is that the database will eventually collect performance information for all levels of the Council, including individual service/operational plans in each department.

3. QUARTER THREE PERFORMANCE

3.1 This section looks in detail at how the Department has performed in relation to the key actions and performance indicators that were included in the Child & Adult Services Departmental Plan for this Portfolio, as well as associated risks.

- 3.2 On a quarterly basis officers from across the department are asked, via the Performance Management database (Covalent), to provide an update on progress against every action contained in the Departmental Plan and, where appropriate, every Performance Indicator and risk.
- 3.3 Officers are asked to provide a short commentary explaining progress made to date, and asked to traffic light each action based on whether or not the action will be, or has been, completed by the target date set out in the Departmental Plan. The traffic light system is:-

Red	Action/PI target not completed
	or
	Action/PI intervention required
Amber	Action/PI progress acceptable
Green	Action/PI target on track
	or Action/PI target achieved.

3.4 Within the Child & Adult Services plan there were a total of 15 actions and 27 Performance Indicators identified in the Departmental Plan. Table 1, below, summarises the progress made, to the 31st December 2010, towards achieving these actions and Pls.

Table 1 – Community Services (CLT portfolio) progress summary

	CLT Portfolio		
	Actions	Pls	
Green – completed	2	3	
Green – on track	13	6	
Amber - acceptable	-	3	
Red – Intervention required	-	-	
Red – not completed	-	-	
Annual	-	15	
Total	15	27	

- 3.5 A total of 2 actions (13%) have been completed or achieved, and a further 13 actions (87%) are on track. There are no actions which are not expected to be achieved.
- 3.6 It can also be seen that 9 (33%) of the Performance Indicators have been highlighted as being achieved or on track to hit the target. There are 3 (11%) of the Performance Indicators where progress is acceptable. There are no PI's that are not expected to hit the year-end target. Additionally, there are 15 (56%) indicators that are only collected on an annual basis and therefore no updates are available for

those indicators (this includes those completed as part of an annual survey, e.g. the Active People Survey).

Table2: Community Services Actions – intervention required.

Ref Action Milestone Comm	nent
---------------------------	------

NONE.

Table3: Community Services Pl's – intervention required.

R	Ref	PI	Milestone	Comment

NONE.

- 3.7 Up to the end of the third quarter, Community Services have completed 2 out of 15 actions in the departmental plan shown below:-
 - Publish the revised Hartlepool Cultural Strategy (CAD CL004).
 - Deliver the Tall Ships Event (CAD CL010).

In addition, there were 13 out of 15 actions that are on track to be completed by year end. These include:-

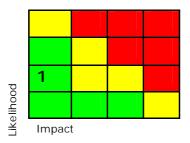

- Implement a facility improvement plan for the Mill House Leisure Site (CAD CL003).
- Deliver Renaissance Programme to improve access to Museum Services and develop new audiences (CAD CL013).

4. RISK MONITORING

- 4.1 It is the policy of Hartlepool Council to take an active and pragmatic approach to the management of risks that could prevent the achievement of corporate and departmental objectives. On a quarterly basis the Community Services division assesses the risks identified within the Child & Adult Services Risk Register. The Council's approach acknowledges that the purpose is not to remove all risks (this is neither possible nor, in many cases, desirable), rather it is to ensure that potential 'losses' are prevented or minimised and that 'rewards' are maximised.
- 4.2 This summary is reported to the Portfolio Holder within the quarterly monitoring report to provide an overview of risks being addressed by the Community Services Division of the Child & Adult Services Department.

4.3 The diagram below shows the distribution of risks according to their risk rating. Details of the rating system is in **Appendix A**. There is a total of 1 risk. This risk is highlighted at a low level as a 'GREEN' risk.

Diagram 1 –Risk Register Heat Map for Community Services division of Child & Adult Services Department

See Appendix A for key to diagram above

4.4 No risks were rated as red.

5. RECOMMENDATIONS

i) It is recommended that achievement of key actions and third quarter outturns of performance indicators are noted.

APPENDIX A HARTLEPOOL BC RISK ASSESSMENT MATRIX AND VALUE GUIDES

		IMPACT				
LIKELIHOOD		1	2	3	4	
		Low	Medium	High	Extreme	
Almost certain	4	AMBER 4	RED 8	RED 12	RED 16	
Likely	3	GREEN 3	AMBER 6	RED 9	RED 12	
Possible	2	GREEN 2	AMBER 4	AMBER 6	RED 8	
Unlikely	1	GREEN 1	GREEN 2	GREEN 3	AMBER 4	

Use the following suggested value guides to help rate the level of the controlled risk.

IMPACT

Extreme Total service disruption / very significant financial impact /

Government intervention / sustained adverse national media

coverage / multiple fatalities.

High Significant service disruption/ significant financial impact /

significant adverse Government, Audit Commission etc report / adverse national media coverage / fatalities or serious disabling

injuries.

Medium Service disruption / noticeable financial impact / service user

complaints or adverse local media coverage / major injuries

Low Minor service disruption / low level financial loss / isolated

complaints / minor injuries

LIKELIHOOD

Expectation of occurrence within the next 12 months -

- Almost certain
- Likely
- Possible
- Unlikely
