FINANCE AND CORPORATE SERVICES PORTFOLIO

Report To Portfolio Holder 30th January 2013

Report of: Chief Finance Officer

Subject: COUNCIL TAX BASE 2013/14

1. TYPE OF DECISION / APPLICABLE CATEGORY

1.1. Non key decision.

2. PURPOSE OF REPORT

2.1. The report seeks approval to the calculated Council Tax Base for 2013/14 which will be used for council tax billing purposes. This report has been prepared on the assumption that full Council on 24th January 2013 will have approved a new framework covering council tax exemptions and discounts to apply from 1st April 2013 and also a Local Council Tax Support scheme that will restrict the cut in awards to claimants to 8.5%.

3. BACKGROUND

- 3.1. The Council is required by law to calculate its Council Tax Base for the forthcoming year, and inform the major precepting authorities (Cleveland Police Authority and Cleveland Fire Authority) and local precepting authorities (Parish Councils), before 31st January 2013. The Council Tax Base is expressed as the number of band D equivalent properties.
- 3.2 The amount of Council Tax levied on each band D property located in the Borough of Hartlepool is determined by dividing the total amount of the precepts made by both this Council, the Police Authority and the Fire Authority on the Collection Fund in 2013/14, by the Council Tax Base. The amount of Council Tax payable for other bands is determined by applying a fixed proportion of the band D amount. A separate report on the calculation of the amount of Council Tax payable for each band for 2013/14 will be submitted to Council at a later date.

4. CALCULATION OF TAX BASE

- 4.1 To calculate the Council Tax Base it is necessary to:-
 - (a) Calculate "the relevant amount" for the year for each valuation band in the valuation list. For each band this represents the full year equivalent of each chargeable dwelling in that band, taking into account entitlement to disability reductions and discounts.
 - (b) The relevant amount for each band are expressed in terms of Band D equivalents.
 - (c) Calculate the Empty Homes Premium impact across all valuation bands in equivalent Band D's.
 - (d) The relevant amounts for each band (b) are then added together with (c) and the total is multiplied by the Council's estimated collection rate for the year.
- 4.2 As part of the government's welfare reforms, the national council tax benefit scheme is being abolished on 31st March 2013 and new Local Council Tax Support schemes must be implemented by councils from 1st April 2013. Under the new arrangements, there is a further requirement to adjust the Council Tax Base to reflect the impact of the Local Council Tax Support scheme. This new adjustment is expressed in terms of an equivalent number of Band D's within each Appendix.

A statement showing the calculation of the Council Tax Base for the Borough of Hartlepool is shown at **Appendix 1**.

- 4.3 In the current economic climate it would not be unreasonable to expect bad debts to increase. This would normally lead to an increase in the non collection level which is currently set at 1.5%. However, the level of in year collection of Council Tax for 2012/13 is being sustained reflecting robust and effective recovery arrangements. In addition long term collection rates continue to be positive therefore it is not proposed to amend the non collection level. In my professional opinion maintaining the non collection level at 1.5% is prudent and appropriate.
- 4.4 **Appendices 2 to 7** are attached to show the statement of calculation of the Council Tax Bases for the various Parishes who intend to levy precepts on the Collection Fund. The calculations follow the same principles as those adopted in the calculation of the Council Tax Base for the whole Borough. As it is necessary to request details of precepts from the Parishes, tax base calculation information has been transmitted, on a provisional basis, to the various Chairpersons in advance of your meeting.

5. **RECOMMENDATIONS**

- a) Approval of a Council Tax Base for 2013/14 of 21,701.7.
- b) Approve a Council Tax Base for those Parishes who intend to levy a precept upon the Council's General Fund:

Dalton Piercy	99.2	Elwick	446.5
Greatham	558.3	Hart	291.5
Newton Bewley	31.7	Headland	687.5

6. REASONS FOR RECOMMENDATIONS

6.1. To enable the council to discharge its statutory responsibilities.
