**34. Constitution Review** (*Monitoring Officer/Director of Legal, Governance and Human Resources*)

During the recent periodic review of the Council's Constitution, Members had questioned the remit of the Finance and Policy Committee. It had been suggested that changes were made to the current arrangements as follows:

Rename Finance and Policy Committee 'Finance and Corporate Affairs Committee' and changes its functions/service areas as follows:

- a) Move Facilities Management (Catering and Cleaning) to within the remit of Neighbourhood Services Committee; and
- b) Move Safer Hartlepool Partnership to within the remit of Neighbourhood Services Committee.

During the discussions that followed it was suggested that a review of Officers delegated powers be undertaken. The Chair noted that this would be added to the agenda of the next Constitution Committee.

In addition to this, the Chair requested a list of all changes made to the Constitution during 2024/25 and that this be circulated to all Members.

### Decision

The Committee recommended that Full Council agree the following:

- (i) The Finance and Policy Committee be renamed Finance and Corporate Affairs Committee.
- (ii) Facilities Management (Catering and Cleaning) be transferred to within the remit of Neighbourhood Services Committee; and
- (iii) Safer Hartlepool Partnership be transferred to within the remit of Neighbourhood Services Committee.

**Report of:** Monitoring Officer/Director of Legal, Governance and

**Human Resources** 

Subject: PERIODIC REVIEW OF THE CONSTITUTION

### 1. PURPOSE OF REPORT

1.1 To consider changes to the Council's Constitution.

### 2. ISSUES FOR CONSIDERATION

### 2.1 Conservation Areas – replacement windows and doors

At the Extraordinary meeting of Council on 28 November 2024 Councillor Moore proposed:

That the Planning Delegation Scheme be amended to include that any planning application received in a conservation area for replacement windows and/or doors be automatically called into Planning Committee.

As all changes to the constitution must be considered by Constitution Committee, Members were advised that the issue must be referred to this Committee.

Currently applications relating to replacement windows/doors are dealt with in line with normal planning applications. In line with the Constitution, Members can call them in to Committee as required but if the decision is inline with policy and has not reached the threshold of objections for reporting to committee, it would be officer decision in consultation with the Chair of Planning Committee.

Members are asked to consider whether any changes should be made to the planning delegations within part 3 of the Constitution for referral to Full Council.

### 2.2 Membership of Local Joint Consultative Committee (LJCC)

A request has been received for Members to consider increasing the Trade Union Membership on the Local Joint Consultative Committee to five to allow for a GMB representative to be included in the membership.

The LJCC membership is currently as follows:

#### 3. REPRESENTATION

The LJCC shall comprise of:

Four (maximum) Elected Member representatives to be appointed at the Annual Meeting of Council for the Municipal year. Such representatives must not be members of the Council's Finance and Policy or Appeals Committee. With the exception that either the Leader or Deputy Leader of the Council and the Leader of the largest opposition group may attend each meeting with full speaking (but not voting) rights.

Four (maximum) HBC Trade Union representatives appointed by the HJTUC.

Four (maximum) HBC officer representatives appointed by the Managing Director.

Members are asked to consider increasing the Trade Union membership to five

### 3. RECOMMENDATIONS

3.1 For Members to consider any proposed changes and make recommendations to Full Council.

### 4. REASONS FOR RECOMMENDATIONS

4.1 To ensure the Constitution is regularly reviewed and fit for purpose.
