REGENERATION, LIVEABILITY & HOUSING PORTFOLIO

Report To Portfolio Holder
19th January 2007

Report of: Head of Regeneration

Subject: BURBANK NEIGHBOURHOOD ACTION PLAN
(NAP) UPDATE (FINAL FOR ENDORSEMENT)

SUMMARY

1.0 PURPOSE OF REPORT

- 1.1 To seek endorsement of the Neighbourhood Action Plan (NAP) Update for the Burbank area.

2.0 SUMMARY OF CONTENTS

- 2.1 The report describes the background to NAPs with a specific focus on the Burbank NAP. It outlines the comprehensive consultation process undertaken to develop the NAP from the initial community consultation event to the consultation process on the draft NAP, all of which have enabled the final version to be produced. The report also illustrates the residents' key concerns which need to be addressed as well as outlining the format of the NAP document, and the plans to produce the residents' summary pamphlet. Finally, the report highlights the implementation procedure along with the financial implications of the NAP.

3.0 RELEVANCE TO PORTFOLIO MEMBER

- 3.1 NAPs fall within the remit of the Regeneration, Liveability and Housing Portfolio Holder. The Burbank NAP will continue to have an impact on service delivery and will potentially influence future funding opportunities in the Burbank area.

4.0 TYPE OF DECISION

- 4.1 Key decision, test ii applies.

5.0 DECISION MAKING ROUTE

- 5.1 The Hartlepool Partnership will be requested to endorse the Burbank NAP Update on the afternoon of Friday 19 January 2007 and the Central Neighbourhood Consultative Forum will be requested to endorse the Burbank NAP Update on Thursday 01 February 2007. Any significant amendments from the Central Neighbourhood Consultative Forum will be reported back to the Hartlepool Partnership.
- 5.2 In addition to the above, the Burbank NAP Update will also be taken to the Burbank Forum on Tuesday 06 February 2007 for information.

6.0 DECISION(S) REQUIRED

- 6.1 The Regeneration, Liveability and Housing Portfolio Holder is requested to endorse the NAP Update for the Burbank area subject to endorsement from the Hartlepool Partnership and the Central Neighbourhood Consultative Forum.

Report of: Head of Regeneration

Subject: BURBANK NEIGHBOURHOOD ACTION PLAN
(NAP) UPDATE (FINAL FOR ENDORSEMENT)

1.0 PURPOSE OF REPORT

- 1.1 To seek endorsement of the Neighbourhood Action Plan (NAP) Update for the Burbank area. A copy of the plan is attached along with a summary document highlighting the priority concerns of the local community, and the actions required to address these.

2.0 BACKGROUND

- 2.1 NAPs are important in encouraging local people and organisations to work together to narrow the gap between the most deprived wards and the rest of the country, and they should be influential in the future allocation of resources. The objective of the NAP is to integrate policies at the local level to improve the way that services are provided.
- 2.2 The Burbank NAP was the second NAP to be successfully prepared for the town in 2004. This plan was used as a base by the Burbank Forum to identify how the Residents Priorities Budget (allocated by the Hartlepool Partnership, under Neighbourhood Renewal Funding), would be spent.
- 2.3 The Burbank NAP is the second NAP to be updated since the completion of the six NAPs across the town; Dyke House/Stranton/Grange, Rift House/Burn Valley, Owton, Rossmere and North Hartlepool. In addition to this, it should be noted that the New Deal for Communities (NDC) programme is currently developing a NAP for the NDC area.
- 2.4 Hartlepool Partnership has agreed to allocate a further £40,000 for the Residents Priority Budget over two years (2006-08) plus £80,000 of Neighbourhood Element Funding over four years (2006-10) specifically for the Burbank NAP area. Both pots of funding will be used to continue to address some of the residents' priorities.
- 2.5 The Neighbourhood Element Funding of the Safer and Stronger Communities Fund (SSCF) is awarded to the areas within the 3% most deprived wards nationally. One of the requirements of the Neighbourhood Element Funding is that it is focussed on one particular theme for which the Burbank Forum chose the Health and Care theme.

3.0 CONSULTATION PROCESS AND CURRENT POSITION

- 3.1 The Burbank neighbourhood which is covered by the NAP is situated to the south east of Hartlepool Town Centre, in the Stranton Ward. The NAP area is illustrated on a map within the NAP (page 1).
- 3.2 The NAP Update has been developed through a range of consultation sessions with residents, children and young people, community / voluntary groups, Councillors and those who deliver services to the area (e.g. Cleveland Police, Hartlepool Borough Council Officers, Housing Hartlepool). An initial community consultation event was held in October 2006 which was crucial in identifying the community's priorities and the actions required to address the priority concerns. Household survey data (MORI 2004) and other baseline data and statistics have also provided an understanding of the conditions in the Burbank area.
- 3.3 As described above, a wide range of consultation sessions were carried out to develop and inform the NAP Update. To complement this, comprehensive consultation was also undertaken to ensure comments were received from key stakeholders and residents on the draft. This further consultation included:-
- Working with the local residents association; Burbank Uniting Residents Together (BURT);
 - Working with groups and organisations such as the Havelock Centre, Burbank Food Co-op and Burbank Men's Health Club;
 - Working with Youth Groups operating throughout the area; COOL Project, FAST Project, Bridge Builders, Bridge Youth Group and HBC's Youth Group;
 - Visiting the Burbank Forum;
 - Holding drop-in sessions at various community buildings;
 - Delivering a new letter to every household in the area;
 - Visiting and working with local schools;
 - Liaising with Hartlepool Community Network and Housing Hartlepool;
 - Meetings with key service providers including; Hartlepool Borough Council Officers, Voluntary and Community Groups and Ward Councillors.
 - Seeking comments at both the Hartlepool Partnership and the Central Neighbourhood Consultative Forum in addition to the Regeneration, Liveability and Housing Portfolio Holder.
- 3.4 Both Hartlepool Community Network (HCN) and Housing Hartlepool have assisted in involving residents and community / voluntary groups in the consultation process.
- 3.5 All comments received were very positive and constructive and have helped to formulate an accurate action plan for the area. Meetings with key service providers and Councillors have also enabled us to

identify funding and resources for some of the actions required, encourage key service providers to confirm their commitment to the delivery of actions and to ensure both residents and service providers felt ownership of the plan.

- 3.6 The final version will be placed on Hartlepool Borough Council's website for future reference.

4.0 RESIDENTS' KEY CONCERNS

- 4.1 The information below illustrates some of the key issues which residents feel need to be addressed in order to improve the Burbank area:

4.2 Jobs and Economy

- Continue to identify barriers to learning and employment opportunities and seek to address these barriers.
- Continue to increase resident's chances of entering employment and returning to work.
- Identify and foster closer links with local business and encourage them to employ local people.
- Encourage community enterprise initiatives, business start-ups and facilitate routes into self employment.
- Continue to tackle the challenging behaviour of some individuals through creating links with young people.
- Review the lack of good transport links.

4.3 Lifelong Learning and Skills

- Maintain and increase participation in Adult Education courses.
- Lack of permanent school bus and / or public bus service to transport pupils to secondary schools across the town.
- Explore ways of improving the aspirations that young people have about their future.
- Increase local access to an IT suite / Internet café, IT classes delivered by a qualified tutor, homework clubs and library.
- Improve vocational learning opportunities, particularly for the young.
- Continue to improve the educational attainment of primary and secondary school children.

4.4 Health and Care

- Lack of access to health services in the area.
- Continue to improve the health and fitness programmes available within the area, especially for the young and elderly.
- Continue to improve awareness of health education for all age groups.
- Improve the length of waiting times when making doctors / dentist appointments.

4.5 Community Safety

- Assess the need for any further street lighting improvements and dusk till dawn lighting in any vulnerable areas.
- Maintain and improve upon Police presence when the Neighbourhood PC and PCSO are not on duty.
- Continue to improve the estate layout to help to reduce crime and anti-social behaviour.
- Continue to remove shrubs to address anti-social behaviour and the fear of crime on an evening.

4.6 Environment and Housing

- Address the problem of the vacant Jomast properties in the area, and continue to repair, rectify and reduce the number of vacant properties within the area.
- Continue to improve the estate layout to design out crime.
- Continue to improve and maintain the general appearance of the Burbank estate.
- Continue to improve and utilise all facilities on the estate.
- Further improve road safety issues e.g. restrict HGV vehicles on Burbank Street and address parking outside Ward Jackson Primary School and improve access to, from and within the estate.
- Improve the condition of uneven pavements in certain areas of the estate.

4.7 Culture and Leisure

- Lack of activities, organised trips and social events for the local community, particularly for young children.
- Promote the existing activities that are available for residents in the Burbank area.
- Identify what children and young people would like with regards to activities.
- Lack of additional convenient play areas (play ground area or local playing field) for children and young people, and existing open spaces are underused mainly due to unsuitability.
- Identify and address the barriers preventing residents utilising local community facilities.
- Tackle the issue around the existing Multi Use Games Area (MUGA) (sports facility; Hartlepool Safe Sports Play Area) which is underused.
- The closure of the Bridge Youth Centre needs to be justified by replacing the facility with equal facilities to have minimum impact on the local community.
- Lack of local retail units, particularly for healthy food (restricted opening hours of Burbank and Stranton Food Co-op).

4.8 Strengthening Communities

- Look at the sustainability and mainstreaming of local venues / facilities and activities in the area.

- Continue to encourage the multi agency working between residents and service providers, and increase communication between residents and organisations delivering services in the area.
- Encourage more residents to be proactive in the community.
- Build upon new intergenerational activities.
- Lacks a multi purpose neighbourhood centre within the area which is open regularly and would be a focal point for the local community, in addition to the Burbank Community Garden and Community House.
- Effectively redress the numerous bad press reports about the estate, which have been published previously.

5.0 THE CONTENTS OF THE PLAN

- 5.1 The Burbank NAP is attached, which includes a map of the area (Page 1).
- 5.2 The document has been structured in a way that is intended to give a clear picture of the strong themes running through the NAP back to the Community Strategy and the Neighbourhood Renewal Strategy.
- 5.3 The format of the document differs slightly from that of the original Burbank NAP. This has been altered in response to the recommendations of the NAP Review to ensure the document is 'user friendly'.
- 5.4 The introductory section covers the background to NAPs, a brief description of the Burbank neighbourhood, how the Burbank NAP Update has been developed, and a summary of the community's main concerns.
- 5.5 The following section then comprises the seven theme areas: - Jobs and Economy; Lifelong Learning and Skills; Health and Care; Community Safety; Environment and Housing; Culture and Leisure and Strengthening Communities. Each theme identifies key statistics, strengths and weaknesses, key resources and programmes delivered in the area / accessible to residents of the Burbank area and the gaps in service delivery which need to be addressed.
- 5.6 Alongside this, is a table which identifies the community's priority concerns, the actions that are required to address the concerns, the organisations who need to be involved in delivering the actions, possible funding and resources, how success will be measured and how the actions will contribute to addressing strategic targets (such as the Local Area Agreement Indicators). The last section of the plan is a Jargon Buster.
- 5.7 In future, a residents' summary pamphlet will be produced to outline the key elements of the Burbank NAP in response to the findings of the

NAP Review recently undertaken. This will be delivered to every household in the Burbank area.

6.0 IMPLEMENTATION

- 6.1 The Council's Neighbourhood Services Department has adopted a neighbourhood management role to assist in the implementation of all NAPs. The original Burbank NAP brought together service providers and residents through the Burbank Forum. The updated NAP will continue to be overseen at a local level by this group, managed by the Central Neighbourhood Manager, along with being fundamental in considering allocations for NRF Residents Priority and Neighbourhood Element Funding. In addition, the Hartlepool Partnership's Theme Groups have an important role to play in monitoring plan progress on strategic issues across all of the seven themes, on an annual basis.

7.0 FINANCIAL IMPLICATIONS AND RISK

- 7.1 In addition to the Neighbourhood Renewal Funding (Residents Priority Budget and Neighbourhood Element Funding), the NAP will also continue to be influential in the future allocation of resources. The NAP Update provides a strategic analysis of the current problems, gaps and priorities which could be tackled should any new funding streams emerge. Impact upon priorities is expected to be made by using more efficiently and effectively existing mainstream resources on the more disadvantaged areas. This will coincide with a continuous improvement to services by all partners, which often only involves a series of small adjustments and a more efficient co-ordination of activity. The objective of the NAP is to integrate policies at the local level to improve the way that services are provided.
- 7.2 As previously outlined in paragraph 2.4, the Hartlepool Partnership agreed to allocate £40,000 for the Residents Priority Budget over two years (2006-08) and £80,000 Neighbourhood Element Funding over four years (2006-10) specifically for the Burbank NAP area. The Burbank Forum will continue to discuss with the Central Neighbourhood Manager, Hartlepool Community Network, Housing Hartlepool and other key service providers how this funding and any subsequent match funding should be used to address some of the community's priority concerns.

8.0 RECOMMENDATIONS

- 8.1 The Regeneration, Liveability and Housing Portfolio Holder is asked to endorse the Burbank NAP Update subject to endorsement from the Hartlepool Partnership and the Central Neighbourhood Consultative Forum.

BURBANK NAP AREA

NEW DEAL
FOR
COMMUNITIES BOUNDARY

1

INTRODUCTION

What is a Neighbourhood Action Plan (NAP)?

NAPs identify local issues and priorities which have been raised through various forms of consultation sessions with local residents, children and young people, community / voluntary groups, Councillors and key service providers. The NAP also sets out realistic actions to address the priorities, the organisations who need to be involved in delivering the actions, the timescales for the actions to be achieved, possible funding and resources and how success will be measured.

NAPs are important in encouraging local people and organisations to work together to narrow the gap between the most deprived wards and the rest of the country. NAPs provide a framework for opportunities and should therefore be influential in the future allocation of resources.

NAPs will look at how services can be made more efficient and effective for the local community. The purpose of the plan is to help local service providers and users to continue to ensure that gaps between existing and desired services are identified and considered by service providers, to effectively add value and improve the quality of life in an area.

NAPs have been developed to ensure local residents and community / voluntary groups have a central role in turning their neighbourhood around.

Context of a Neighbourhood Action Plan (NAP)

The Hartlepool Partnership has developed a Community Strategy which sets out a long-term vision for Hartlepool. The Hartlepool Local Area Agreement (LAA) sets out what will be done to achieve this vision and improve services. The Community Strategy provides the overall policy framework for all services in Hartlepool including regeneration and neighbourhood renewal activity. The Neighbourhood Renewal Strategy (NRS) forms part of the Community Strategy and sets out to reduce inequalities in the most disadvantaged communities and help to tackle social and economic exclusion. The need for the development of NAPs in the priority neighbourhoods was set out in the NRS and together the NAPs form the geographical element of the Hartlepool NRS. For further information on the Community Strategy, LAA and NRS please visit the Hartlepool Partnership website www.hartlepoolpartnership.co.uk alternatively you can contact the Hartlepool Partnership Support Team on Tel. 01429 284147 or by email to hartlepoolpartnership@hartlepool.gov.uk.

About the Burbank Neighbourhood

The Burbank neighbourhood is situated to the south east of Hartlepool Town Centre, in the Stranton Ward. It is a small community, which is surrounded by industrial and commercial areas. The boundary runs between Burbank Street and Hucklehoven Way and Mainsforth Terrace and Clark Street. It also encompasses an area of residential homes on the Marina (the area is shown on the map, page 1), and Church Street.

There is a resident population of approximately 1500 people living in 715 households. The housing stock is made up of 19% owner occupied, 38% owned by Housing Hartlepool, 20% owned by a housing association and 19% privately rented. 21.8% of the population is ages 0-15 years, 60% of the population is of a working age and 18% are of retirement age.

What is the Burbank Neighbourhood Action Plan (NAP) Update?

The Burbank Neighbourhood Action Plan (NAP) was the second NAP to be successfully prepared for the town back in 2004 following the completion of the Dyke House / Stranton / Grange NAP in 2002. This Plan was used as a base by the Burbank Forum to identify how the Residents Priorities Budget, (allocated by the Hartlepool Partnership, under Neighbourhood Renewal Funding), would be spent.

The Forum comprising residents, (including representatives from the local Residents Association established in the area), community / voluntary groups, the Borough Council and other key organisations such as Housing Hartlepool and the Police, has successfully spent over £77,271 of funding for the neighbourhood over 2004-2006.

Schemes supported are wide ranging and include the creation of a Community Garden, the development of a Multi Use Games Area (MUGA) next to the Bridge Youth Centre, the closure of alleyways across the estate, the establishment of the food co-op in Burbank Community House and support for the local Resident Association; Burbank Uniting Residents Together (BURT).

Each of the Neighbourhood Action Plans (NAPs) across the town (Dyke House / Stranton / Grange, Burbank, Rift House / Burn Valley, Owton, Rossmere and North Hartlepool) are being updated, in the order in which they were developed to establish current issues facing local residents. The Burbank NAP is the second NAP to be updated following the completion of the Dyke House / Stranton / Grange NAP Update.

The Burbank NAP Update has been developed through a range of consultation sessions with local residents, children and young people, community / voluntary groups, Councillors and those who deliver services to the area (e.g. Cleveland Police, Hartlepool Borough Council Officers, Housing Hartlepool). An initial community consultation event was held in October 2006 which was crucial in identifying the community's priorities and the actions required to address the priority concerns. Household survey data (MORI 2004) and other baseline data and statistics have also provided an understanding of the conditions in the Burbank area.

All comments received were very positive and constructive and have helped to formulate this action plan for the area. Meetings with key service providers and Councillors have also identified funding and resources for some of the actions required, encouraged key service providers to confirm their commitment to the delivery of actions and ensured both residents and service providers have ownership of the plan.

Picture: The Community Conference held in October 2006 to obtain the community's views.

The Burbank NAP Update will enable local people and organisations to continue to work together to successfully integrate policies at a local level, improving the ways that services are provided, to achieve goals of lower unemployment and crime, better health, skills, housing and physical environment, and a stronger community with improved culture and leisure opportunities.

There is no substantial new funding available specifically for the NAP, however Neighbourhood Renewal Funding (NRF) (Residents Priority Budget and Neighbourhood Element Funding) are available in the Burbank area to begin to address the priority concerns identified in the NAP.

As the Burbank NAP is action led with realistic targets to encourage the collaboration of service providers to reach common aims, it is anticipated that the NAP will be influential in the future allocation of resources, such as further Neighbourhood Renewal Funding (NRF) (Residents Priority Budget and Neighbourhood Element Funding), Housing Hartlepool's resources and the delivery of the Council's Neighbourhood Management Team's services.

Priority Concerns

The community's concerns are identified in the NAP for each of the seven Hartlepool Community Strategy themes and the action plan identifies how these concerns can be tackled. The timescales to address each of the actions are also detailed and can be defined as: Short Term = within one year, Medium Term = between one and five years and Long Term = five years or more.

Throughout the consultation sessions a number of priority concerns have been identified and are highlighted below:

Jobs and Economy:

- Continue to identify barriers to learning and employment opportunities and seek to address these barriers.
- Continue to increase residents' chances of entering employment and returning to work, by developing initiatives to support and encourage local residents to take up employment or training opportunities.
- Identify and foster closer links with local businesses and encourage them to employ people from the local area.
- Encourage community enterprise initiatives, business start-ups and facilitate routes into self employment in order to increase the range of employment opportunities available to local people, and to stimulate the economy.
- Continue to tackle the challenging behaviour of some individuals through creating better links with young people and businesses.
- Address poor transport links.

Lifelong Learning and Skills:

- Continue and increase participation in Adult Education courses in the area, including funded private tuition opportunities.
- Lack of a permanent school bus (particularly on a morning) and / or public bus services to transport people across the town to secondary schools and health centres.
- Explore ways of improving the aspirations that young people have about their future.
- Increase local access to an IT suite / Internet café, IT classes delivered by a qualified tutor, homework clubs and library.
- More vocational learning opportunities required, particularly for young people.
- Continue to improve the educational attainment of all school children at both primary and secondary level (particularly at Key Stage 2 and GCSE level).

Health and Care:

- Improve access to health services in the area.
- Continue to improve the health and fitness programmes available within the area, especially for young people and the elderly.
- Continue to improve awareness of health education for all age groups.
- Improve length of waiting times when making doctors / dentist appointments.

Community Safety:

- Continue to assess and improve street lighting in the area as required.
- Continue to maintain and improve upon Police presence in the area.
- Continue to improve the estate layout to help to reduce crime and anti-social behaviour.
- Continue to remove shrubs in vulnerable areas to address anti-social behaviour and the fear of crime particularly on a night.

Environment and Housing:

- Address the problem of the vacant Jomast properties within the area, and continue to repair, rectify and reduce the number of vacant properties within the area.
- Continue to improve the estate layout to design out crime.
- Continue to improve and maintain the general appearance of the area.
- Continue to improve and utilise all facilities on the estate.
- Further improve road safety issues and improve access to, from and within the estate.
- Improve the condition of uneven pavements in certain areas of the estate.

Culture and Leisure:

- Lack of activities and organised activities for the local community, particularly for young children.
- Promote the existing activities that are available for residents in the Burbank area.
- Need to identify what children and young people would like with regards to activities / facilities.
- No additional convenient play areas (play ground area or local playing field) for children and young people, and existing open spaces are underused mainly due to unsuitability.
- Identify and address the barriers preventing residents utilising local community facilities.
- Existing Hartlepool Safe Sports Play Area (Multi Use Games Area - MUGA) is underused.
- The closure of the Bridge Youth Centre needs to be justified by replacing it with equal space and facilities in order to have minimum impact on the community.
- Lack of local retail units, particularly for healthy food (opening hours of Burbank and Stranton Food Co-op are limited).
- Inclusion of the Burbank area in long term projects / strategies.

Strengthening Communities:

- Address the sustainability and mainstreaming of local venues / facilities and activities in the area.
- Continue to encourage the multi agency working between residents and service providers, and increase communication between residents and organisations delivering services in the area.
- Encourage more residents to be proactive in the community.
- Build upon new intergenerational activities.
- Lacks a multi purpose neighbourhood centre within the area which is open regularly and would be a focal point for the local community, in addition to the Burbank Community Garden and Community House.
- Effectively redress the numerous bad press reports about the estate, which have been published previously.

Monitoring of the NAP

The Hartlepool Partnership has agreed a process for monitoring the implementation of each NAP. The Hartlepool Borough Council Neighbourhood Manager for the NAP area has responsibility for regularly updating the NAP Forum on how identified actions within their plan are being progressed. In addition progress on each of the theme sections is taken annually to the respective theme partnership and where there are actions that are not being progressed they are asked to consider what they can do to take them forward. The Hartlepool Partnership Board then receives a summary of the progress made on each of the NAPs.

The Burbank NAP is not a one-off and will be reviewed over time in order to ensure that it remains relevant for local residents in the area.

Cross Cutting Themes

Through the development of the NAP, issues have been raised regarding how the seven themes, and the actions relating to them overlap for example, reducing anti-social behaviour could also improve levels of health as it will reduce stress levels. It was highlighted that these important links should be recognised and therefore the Burbank Forum and the Hartlepool Partnership will ensure links are made by partnership working and referrals.

Equal Opportunities

The aim of the NAP is to encourage local people and organisations to work together to narrow the gap between the most deprived wards and the rest of the country. By addressing the issues raised in the NAP it is hoped that the residents of the Burbank area will have an improved quality of life and have as much chance as any other resident in Hartlepool to achieve success in the issues which matter to them. The key objective of the NAP is therefore, to ensure equal opportunities for all is achieved through the partnership working. This will be a key issue that will run throughout the themes and will be monitored through the Burbank Forum.

Diversity and Community Cohesion

Hartlepool Borough Council upholds a Race and Diversity Scheme as required by the Race Relations Amendment Act 2000 which includes all aspects of a Race Equality Scheme as well as many other equality and diversity issues relevant to other groups within the community. The Scheme shows how the Council intends to meet its obligations in relation to race and diversity issues by overcoming barriers to service provision, promote equal opportunities and encourage good race relations and community relations. Burbank Forum and Hartlepool Partnership work alongside this in the NAP process. The NAP process will also aim to promote integration between communities and improve cohesion at a local level.

Access Issues

Any actions taken forward through the NAP will need to be assessed in terms of access issues and this should be considered at the design stage of any project. If any members of the general public have any access issues relative to their own area (except private buildings) they should contact Hartlepool Borough Council's Access Officer at Bryan Hanson House, Hanson Square, Hartlepool, TS24 7BT. Tel. 01429 523234.

JOBS AND ECONOMY

WHAT IS THERE TO KNOW ABOUT THE AREA?

Statistics <ul style="list-style-type: none"> 58.3% of households are classed as low income households in comparison to 51.1% NRF Area, 40.5% Borough wide and 24.3% Nationally (ONS 2001). In the area the joblessness rate is relatively high: 54.3% in comparison to 41.7% NRF Area, 34.1% Borough wide and 26.3% Nationally (ONS 2001). There is a high level of residents who are of working age and are unable to work: 22.8% in comparison to 18.8% NRF Area, 13.2% Borough wide and 13.3% Nationally (ONS 2001). 	
Strengths <ul style="list-style-type: none"> Local businesses. Longhill / Sandgate Industrial Estate. Proximity to the town centre, Tesco and local industrial estates which enhances employment opportunities for the Burbank area. Longhill and Sandgate Industrial Estate representatives working with the Burbank Forum to improve relations and impacts caused by commercial activities. HBC Neighbourhood Services working with Intermediate Labour Market (ILM) administrator exploring employment links. Development of Burbank Learning Partnership and a Single Programme project enabling businesses to sponsor students and work placements. Progression 2 Work pilot supporting residents with disabilities back to work. Local Public Service Agreement (LPSA) II bid includes work to support carers that will improve support for people with caring responsibilities. The Families Accessing Support Team (FAST Project) has linked one young person into employment and training opportunities through the FAST Employment Worker (OFCA) and can do this for other young people who are in need of such support. 	Weaknesses <ul style="list-style-type: none"> High levels of worklessness. Barriers to education and training discourage residents from taking up learning and employment opportunities. Poor local transport links. Level of links between local businesses, including those on the neighbouring Longhill and Sandgate Industrial Estates and the nearby Newburn Bridge Industrial Estate, and residents, although it is recognised that the Business Liaison Manager for the Longhill and Sandgate Industrial Estate is helping to improve links. Low level of self-employment and new business start-ups.

Currently the School has 26 Key Stage 4 students involved in alternative education projects at various providers in the town including Woodcraft Services, National Association for Rehabilitation of Offenders (NACRO), Hart Education, Owton Fens Community Association (OFCA) and B76. These partners offer excellent training for the world of work for students who find the traditional mainstream curriculum difficult for whatever reason. This work across the town is having a big impact on reducing the number of students who become NEET (Not in Education or Training) at 16 years of age. For more information Tel. 01429 265711.</p>
Brougham Enterprise Centre.	<p>Although this facility is not in the Burbank area, its services are available to Burbank residents. Formerly a Victorian School, Brougham Enterprise Centre has been providing subsidised start-up workspace, business advice and tailored support services since 1992. In recent years, the demand for accommodation has increased as well as the usage of the Centre. The Brougham Enterprise Centre, managed by Hartlepool Borough Council has recently undergone a £1.3million refurbishment, which has given the Centre a much needed facelift. It has increased car parking, created more units and offices for new start businesses and extra facilities for tenants. Rental costs are competitive and include rates and some utilities. Furthermore, on-site business and technical advice, guidance and signposting are available from the Centre staff who work closely with local business start-up agencies, including Business Link. Many businesses have been helped by the Centre and many have moved on to their own premises or to move-on space, and are enjoying success that could not have been achieved without the supporting framework the Centre provides. Owton Fens Community Association (OFCA) also provide services to residents of the area from the Centre. The Centre staff</p>

GAPS – WHAT NEEDS TO BE DONE

Service delivery issues needing attention	
1.	Continue to identify barriers to learning and employment opportunities and seek to address these barriers.
2.	Continue to increase local residents' chances of entering employment and returning to work by developing initiatives to support and encourage local residents to take up employment or training opportunities.
3.	Identify and foster closer links with local businesses and encourage them to employ people from the local area.
4.	Encourage community enterprise initiatives, business start-ups and facilitate routes into self-employment in order to increase the range of employment opportunities available to local people, and to stimulate the local economy.
5.	Continue to tackle the challenging behaviour of some individuals through creating better links with young people and businesses.
6.	Address poor transport links.

Strengths

- Good relationship with the schools in the area (Ward Jackson Primary School and St Josephs Primary School).
- Involvement of SureStart in the Burbank area and their links to the Burbank Forum.
- Development of Burbank Learning Partnership and a Single Programme project enabling businesses to sponsor students and work placements.
- Hartlepool College of Further Education (HCFE) and Cleveland College of Art and Design (CCAD) in close proximity, providing education opportunities for post 16 years of age.
- Good relationship between Youth Workers and youth club members.
- School Attendance Officer is working closely with school based Social Inclusion Assistant to promote positive attitudes to school attendance with students and parents.
- Truancy patrols take place each term and the School Attendance Team work closely with the Neighbourhood Policing Team to promote school attendance.
- The Families Accessing Support Team (FAST Project) in partnership with Burbank Uniting Residents Together (BURT), Football Development and the Burbank NAP, called 'Flambrough F.C under 18's' has linked local young people and an adult resident into junior sports leaders awards, a mentoring training

Weaknesses

- Residents require training to undertake educational and leisure activities with fellow residents and young people in the area.
- Ward Jackson Primary School has the highest mobile pupil rate in Hartlepool, which can be disruptive to the performance agenda.
- Lack of informal education activities within the Burbank area.
- Young people have low aspirations.
- Lack of access to an IT suite, homework clubs and access to a local library.

Headland Development Trust.	Operating from within the Headland area, this charitable trust was formed in 2001 and provides a base for social and economic regeneration. The Trust, through its Community Legal Learning Programme has responded to the community's needs with a view to building capacity. The programme ultimately strengthens communities through those groups within the voluntary and community sector becoming informed and able to lead with increased professionalism. The programme looks to the very real issues that individuals and groups face and assists them to understand the reasons why decisions are made, the process by which those decisions are reached and the responsibilities and liabilities they incur in doing so. The Trust also invests heavily in young people aged between 11-19 years via its Sigma Youth Project through the delivery of a wide range of high quality accredited training, courses and activities that assist young people in their development. As a member of the Open College Network (OCN), the Headland Development Trust through its pool of qualified tutors can not only deliver OCN accredited training but support the development of bespoke training as required, this could be from helping a group put together a half-day seminar through to the development of their own training initiative. For more information Tel. 01429 420302.

Hartlepool Borough Council: Neighbourhood Enforcement Team (NET).	<p>The Neighbourhood Enforcement Team provides education, guidance and advice to members of the public and organisations on issues such as graffiti, fly tipping, abandoned vehicles and dog related matters. Sometimes the Neighbourhood Enforcement Team is able to use litigation in order to achieve its objectives.</p> <p>The Community Wardens are part of Neighbourhood Enforcement Team and assist with issues such as dog fouling, littering, abandoned and untaxed vehicles, graffiti and fly tipping. They have recently been given additional powers to issue Fixed Penalty Notices for offences such as littering and dog fouling. These new powers will enable the Wardens to take immediate action and / or pass information to the Neighbourhood Enforcement Team for further investigation.</p> <p>The Dog Warden Service tackles a number of related issues ranging from stray and dangerous dogs to dog fouling. Recent new initiatives have seen the introduction of 'dog chipping' and 'spaying and neutering' schemes designed at reducing the number of stay dogs in the town and enabling such dogs to be quickly reunited with their owners.</p> <p>The Neighbourhood Enforcement Team has achieved a number of successful prosecutions for fly tipping, involving both individuals and companies. It continues to be a very proactive approach in this field and believes the publicity achieved by court action is a means of deterring others with similar intentions. A proactive and spontaneous approach is applied in areas such as back / alley gated streets, highways and shopping precincts to ensure companies and individuals</p>

COMMUNITY SAFETY

WHAT IS THERE TO KNOW ABOUT THE AREA?

Statistics

- The total crime offences (per 1000 population) in the Burbank area excluding Church Street are 218 in comparison to 182.5 NRF Area and 129.2 Borough wide (HBC Community Safety 2005 / 2006).
- The total overall vehicle crime (per 1000 population) in the Burbank area excluding Church Street is 13.5 in comparison to the NRF Area average of 17.4 and Borough average of 14.4 (HBC Community Safety 2005 / 2006).
- The total violent crime offences (per 1000 population) in the Burbank area excluding Church Street are 32 in comparison to 51.1 NRF Area and 34.5 Borough wide (HBC Community Safety 2005 / 2006).
- The total domestic burglary (per 1000 households) in the Burbank area excluding Church Street is higher than the Borough and NRF Area average; 25.6 in comparison to 21.5 NRF Area and 15.6 Borough wide (HBC Community Safety 2005 / 2006).
- 27% of residents feel very safe when walking around the area after dark, in comparison to 26% NRF Area and 28% Borough wide (MORI 2004).
- 11% of residents are very satisfied with the quality of service provided by the Police, in comparison to 13% NRF Area and 12% Borough wide (MORI 2004).
- 13% of residents feel 'less safe' than three years ago, in comparison to 19% NRF Area and 15% Borough wide (MORI 2004).

Strengths

- Neighbourhood Policing Scheme and Burbank's Neighbourhood Police Officer and PCSOs in particular.
- Residents have good relationships with the Police and service providers.
- Problem drug houses closed down.
- Crime and anti-social behaviour has reduced since Burbank Uniting Residents Together (BURT) was formed.
- Reduced fear of crime through improved security and addressing open areas (non threatening environment).
- Residents feel that the area is now more secure due to genuine neighbours who care and look out for one another.
- Environmental improvements around car parking areas have improved safety to vehicles.
- Improved street lighting in hotspot areas around Newhaven Court and Spurn Walk. In Goodwin Walk and Burbank Street columns have been upgraded.
- A number of alleyways have been blocked off with alley gates and this has helped to reduce crime.
- Reasonable CCTV provision in the area. In particular, the additional camera installed at Bridge Youth Centre which can be 'dialled up' by CCTV Monitoring Centre to view activity in the area.
- Families Accessing Support Team (FAST Project) contributing

Weaknesses

- Fear of crime.
- Criminal behaviour including burglary and anti-social behaviour.
- Poor layout of some areas of the estate.
- High arrest rates of youths (night time economy).
- Anti-social behaviour: perception of lots of youths hanging around the street in gangs causing a disturbance.
- Visible drug related activity and associated problems on the estate.
- Lots of noise around the area especially on a weekend from pubs and nightclubs.
- Children and young people feel that CCTV should be installed on streets to reduce the amount of crime and anti-social behaviour.
- Children and young people feel that ideally all houses should have intruder lights in their back yards and gardens and regular checks should be made on peoples smoke alarms and house alarms to ensure they are working correctly.
- Lots of traffic and parking on Clark Street. Speeding traffic in Victoria Terrace / Maritime Avenue, Clark Street and outside Ward Jackson Primary School.
- Residents are concerned that there are delays when calling for the Police, both during the day and on an evening.

Strengths towards tackling problems of anti-social behaviour. <ul style="list-style-type: none"> ▪ Installation of temporary Youth Pod near the Bridge Youth Centre. ▪ Community Safety events run by Burbank Parents Forum and Cleveland Police. ▪ Victims of crime are supported by Hartlepool Victim Support and Witness Service within area. ▪ New Deal for Communities (NDC) Business Security Grants are available to businesses on the Longhill and Sandgate Industrial Estate, and a CCTV system is proposed to monitor the estate which includes taking in some streets in the NAP area. ▪ Domestic Violence Support Service and Domestic Violence Outreach Support Worker. ▪ A directory is available to enable residents to contact service providers more effectively. ▪ Burbank Neighbourhood Watch Group. KEY RESOURCES AND PROGRAMMES

Investment by mainstream agencies:

Examples of key current programmes / projects	Description
Anti-Social Behaviour Unit (ASB Unit).	<p>The ASB Unit believes that the people of Hartlepool have the right to live their lives free from harassment, alarm or distress. It is their goal to work effectively with the public and partner agencies to deal with the factors that affect the quality of life of residents through prevention, diversion or enforcement.</p> <p>The ASB Unit deals with cases reported from all sources where an individual has been causing harassment, alarm or distress to one or more individuals who are not in the same household as themselves. To contact the Anti-Social Behaviour Unit (ASB Unit) Tel. 01429 296582.</p>
Burbank Neighbourhood Watch.	<p>The Burbank Neighbourhood Watch Group meets monthly with the local Neighbourhood Police Officer in Burbank Community House. The group would welcome any individual from the Burbank area to get involved. Tel. 01429 278504 for further information and meeting dates / times.</p>
Cleveland Fire Brigade: Community Safety Initiatives.	<p>Cleveland Fire Brigade's Community Safety scheme is based around the principle of prevention and protection rather than response. In</p>

Services and facilities available to the Burbank neighbourhood include:</p> <ul style="list-style-type: none"> ▪ Free Home Fire Safety Checks where advice is given to help prevent fires and free smoke alarms are fitted to safeguard residents in case of fire. For more information please Tel. 01429 874063; ▪ Arson audits are carried out to help prevent fires starting. This includes the removal of potential fuel from areas, arranging for boarding up of unoccupied premises and advice to property owners on how to prevent arson; ▪ Various Youth Intervention Schemes e.g. LIFE, SAFE and the Duke of Edinburgh Award scheme to address youth inclusion and behaviour; ▪ Use of Advocates in various fields e.g. disability, deaf, elderly, ethnic minorities, to help to keep safe those deemed to be particularly vulnerable in our community; ▪ School education to reach the youngsters of the area to explain fire safety and the dangers of playing with fire; ▪ Advice to businesses as to compliance with current legislative requirements. <p>For further information regarding any of these services please contact the Brigade headquarters on Tel. 01429 872311.</p>
Cleveland Police: Hartlepool Neighbourhood Policing Scheme.	<p>The Neighbourhood Policing Scheme is based around local policing for local neighbourhoods, responding to the needs of local communities and bringing communities, police and partners closer together. The aim of Neighbourhood Policing is to increase police visibility and improve public reassurance and to make communities feel safe and secure by reducing crime and anti-social behaviour. Through Neighbourhood Policing, Police will be visible and accessible to members of the public. Community involvement is the key to the success of Neighbourhood Policing as resident priorities and views drive the initiative forward.</p> <p>Each Council Ward has a named, dedicated Neighbourhood Officer and Neighbourhood Police Community Support Officer (PCSO). These officers work within each Council Ward and are not pulled away</p>

The teams are also accessible to the local community and respond to the priorities of local residents.</p> <p>Every month, officers conduct a visual audit with a community representative and officers from partner agencies (Hartlepool Borough Council Environmental Officers / Housing Providers etc.). This is a walk around their identified neighbourhood area in order to ascertain areas for action.</p> <p>A Single Point of Contact Number has been set up to link residents with their dedicated officers. Phone lines are open between the hours of 9.00am and 9.00pm when staff can put residents in touch with one of the officers assigned to the ward. The Single Point of Contact Number is Tel. 01429 235811.</p> <p>Drop in surgeries which are staffed on a regular basis are also held within the area at the Community Safety Office, 8 to 9 Church Street.</p>
Community Safety Capital Fund.	<p>Hartlepool Borough Council has approximately £135,000 to spend across the town on capital projects which will contribute to a reduction in crime and disorder.</p> <p>The criteria for capital projects is as follows:</p> <ul style="list-style-type: none"> ▪ Projects should be community safety focused and should contribute to the outcomes in the Safer Hartlepool Strategy; ▪ Projects should contribute 20% to 50% match funding; ▪ There should be a commitment to mainstreaming / maintenance of the project. <p>The Section 17 Officer Group will recommend which projects are to be considered to Hartlepool Borough Councils Cabinet Grants Committee for approval.</p>
Drug Interventions Programme (DIP).	<p>DIP was introduced to Hartlepool in April 2004 and continues to be a major part of the Government's drug strategy to reduce drug related</p>

The initiative provides treatment and support structures that identify, engage with and track drug misusing offenders anywhere in the criminal justice system.</p> <p>The two key elements of the programme that help this to take place are through care – assisting the individual from the point of arrest through to sentencing and beyond – and aftercare – which is help put in place to assist the offender after they have been released from prison or on completion of a community sentence.</p> <p>The DIP team provide a 24 / 7 Single Point of Contact Service which gives people in drug treatment a telephone contact for support and advice.</p> <p>Addaction are commissioned to provide the service due to their knowledge of treatment services and information on the criminal justice system process.</p> <p>In addition to the above, a specialised sport and physical activity programme is offered to DIP clients as part of their rehabilitation programme. Externally funded, this area of work contributes to the support structures necessary to prevent re-using and potentially re-offending. This element of support is in partnership with HBC's Drug Intervention Team.</p> <p>The 24 / 7 Single Point of Contact Service - Tel. 0808 1880 247.</p>
Families Accessing Support Team (FAST Project).	<p>Funded through NRF, this project takes a multi agency approach (family support worker, activity worker and training and employment worker) to tackle the early signs of anti-social behaviour. Workers plan with families how the project can support the child and family, and make sure they are aware of the consequences of involvement in anti-social behaviour.</p> <p>The FAST project can also provide a 'street outreach service / detached youth work service' which involves working with groups of young people who are involved in anti-social behaviour / causing a nuisance throughout areas. FAST attempts to engage with young people and their communities to try to develop working relations and to assess the difficulties and solutions to the anti-social behaviour.</p>

The main duties of the floating Environmental Operative include:</p> <ul style="list-style-type: none"> ▪ Grounds maintenance; ▪ Cleaning provision; ▪ Gardening. <p>In Burbank the floating Environmental Operative will respond to issues raised by the Burbank Forum through the Central Neighbourhood Manager and through Hartlepool Connect. For more information Tel. 01429 523333.</p>

Examples of key current programmes / projects	Description
Hartlepool Borough Council: Neighbourhood Renewal Lighting Budget.	In 2006 / 2007, there is £50,000 of Neighbourhood Renewal Fund (NRF) monies allocated for town wide street lighting improvements and this is likely to continue at a similar scale next year.
Hartlepool Borough Council: Neighbourhood Service's Minor Works Budget.	The budget is for minor works such as drop crossings, lighting, security works, environmental improvements and maintenance. In the Burbank area, the budget is managed by the Neighbourhood Manager for the Central area and works are discussed and approved through the Central Neighbourhood Consultative Forum. In 2006 / 2007 £87,000 is available to the Central Neighbourhood Consultative Forum for improvements works.
Hartlepool Borough Council: Neighbourhood Enforcement Team (NET).	<p>The Neighbourhood Enforcement Team provides education, guidance and advice to members of the public and organisations on issues such as graffiti, fly tipping, abandoned vehicles and dog related matters. Sometimes the Neighbourhood Enforcement Team is able to use litigation in order to achieve its objectives.</p> <p>The Community Wardens are part of Neighbourhood Enforcement Team and assist with issues such as dog fouling, littering, abandoned and untaxed vehicles, graffiti and fly tipping. They have recently been given additional powers to issue Fixed Penalty Notices for offences such as littering and dog fouling. These new powers will enable the Wardens to take immediate action and / or pass information to the Neighbourhood Enforcement Team for further investigation.</p> <p>The Dog Warden Service tackles a number of related issues ranging from stray and dangerous dogs to dog fouling. Recent new initiatives have seen the introduction of 'dog chipping' and 'spaying and neutering' schemes designed at reducing the number of stray dogs in the town and enabling such dogs to be quickly reunited with their owners.</p> <p>The Neighbourhood Enforcement Team has achieved a number of successful prosecutions for fly tipping, involving both individuals and companies. It continues to be a very proactive approach in this field and believes the publicity achieved by court action is a means of deterring others with similar intentions.</p> <p>A proactive and spontaneous approach is applied in areas such as</p>

ENVIRONMENT AND HOUSING

WHAT IS THERE TO KNOW ABOUT THE AREA?

Statistics

- 18.6% of houses are owner occupied which is low in comparison to 45.5% NRF Area, 63% Borough wide and 68.7% Nationally. (Census - ONS- 2002)
- 57.9% of households are rented from Housing Hartlepool or Housing Associations which is very high in comparison to 41.1% NRF Area, 7.4% Borough wide and 8.8% Nationally. (Census -ONS- 2002)
- 7.6% of households are lone parent households, which is low in comparison to 11.9% NRF Area and 8.7% Borough wide. (Census- ONS - 2002).
- 28% of residents consider litter and rubbish a serious problem in the area in comparison to 27% NRF Area and 19% Borough wide (MORI 2004).
- 17% of residents consider poor public transport issues to be a serious problem in the area in comparison to 4% NRF Area and 5% Borough wide (MORI 2004).
- 62.3% of households are without a car compared to 54% in the NRF area, 39.3% Borough wide and 26.8% Nationally (Census - ONS - 2001).

Strengths

- Good Location, close to the town centre, the sea and the marina.
- Major improvements on the estate including gating alleyways, improved landscaping, hanging baskets, bulb planting and a tidier physical environments.
- Street lighting improvements in hot spot areas around Newhaven Court and Spurn Walk, with columns upgraded in Goodwin Walk and Burbank Street.
- Decent housing quality, which is going to be improved through the Investment Programme by Housing Hartlepool and Three Rivers. Burbank Court is now complete.
- Boarded up properties at Hucklehoven Court (Jomast) have improvements planned.
- Weight restriction on road has helped reduce traffic.
- Burbank Community Garden, Burbank Street.
- HBC's Museum Services aim to preserve parts of / or use stones from the Old Town Wall (Headland area).

Weaknesses

- Despite good location, feel cut off and isolated due to surrounding major roads and proximity to industrial areas.
- Despite improvements to street lighting, it is still perceived as a problem in some areas by residents and young people.
- Public transport links, especially poor bus services.
- Difficulty in crossing A689, Burn Road and Burbank Street (to Community Garden).
- Speeding traffic in Victoria Terrace / Maritime Avenue, Clark Street and outside Ward Jackson Primary School.
- No telephone box, post box or general dealers (although telephone box in Burbank Street was removed at request of residents and Clark Street is near to residential areas).
- Litter, especially glass bottles in alleyways and dog fouling/ litter at St Joseph's Nursery (attached to St Joseph's RC Primary School) / Square Ring Public House.
- Poor signage.
- Concerns over the demolition of the Bridge Youth Centre.
- Lots of derelict land throughout the area.
- The majority of properties do not have gardens at the rear, only back yards.

KEY RESOURCES AND PROGRAMMES

Hartlepool Access Group.	Hartlepool Access Group (HAG) has an Access Audit Group that has experience of partnership working with Hartlepool Borough Council to identify and assist in prioritising work for paving, for example tactile markings, dropped kerbs and other areas of work around the built environment for more information Tel. 01429 891881.
Hartlepool Borough Council: Adult and Community Services.	Supporting people is a national programme delivered by local authorities in partnership with probation, health, adult and community services and supported housing providers, The Supporting People programme is committed to providing a better quality of life for vulnerable people to live more independently. The programme provides housing related support to prevent problems that can often lead to hospital admissions, institutional care or homelessness and also help vulnerable people to establish and successfully maintain a home. For more information Tel. 01429 284263.
Hartlepool Borough Council Environmental Action Team.	Can use enforcement to tackle illegal parking issues, off road parking and dog fouling. Tel. 01429 523534 for more information.
Hartlepool Borough Council: Neighbourhood Enforcement Team (NET).	<p>The Neighbourhood Enforcement Team provides education, guidance and advice to members of the public and organisations on issues such as graffiti, fly tipping, abandoned vehicles and dog related matters. Sometimes the Neighbourhood Enforcement Team is able to use litigation in order to achieve its objectives.</p> <p>The Community Wardens are part of Neighbourhood Enforcement Team and assist with issues such as dog fouling, littering, abandoned and untaxed vehicles, graffiti and fly tipping. They have recently been given additional powers to issue Fixed Penalty Notices for offences such as littering and dog fouling. These new powers will enable the Wardens to take immediate action and / or pass information to the Neighbourhood Enforcement Team for further investigation.</p> <p>The Dog Warden Service tackles a number of related issues ranging from stray and dangerous dogs to dog fouling. Recent new initiatives have seen the introduction of 'dog chipping' and 'spaying and neutering' schemes designed at reducing the number of stay dogs in</p>

It continues to be a very proactive approach in this field and believes the publicity achieved by court action is a means of deterring others with similar intentions.</p> <p>A proactive and spontaneous approach is applied in areas such as back / alley gated streets, highways and shopping precincts to ensure companies and individuals comply with relevant legislation. This is achieved through education / guidance and where appropriate, the issuing of Fixed Penalty Notices and Court Action. The Neighbourhood Enforcement Team is also undertaking a campaign to prevent the build up of cigarette related litter in busy streets and shopping areas. Actions proposed include the siting of purpose built cigarette bins and Fixed Penalty Fines.</p> <p>The Neighbourhood Enforcement Team have also formed a 'Graffiti Squad' which encompasses issues such as fly posting and chewing gum removal.</p> <p>The Neighbourhood Enforcement Team now has a complex system of covert surveillance cameras to assist in its determination to clamp down on various aspects of anti-social behaviour, such as dog fouling, littering and flytipping. Hartlepool Borough Council: Lighting Maintenance Plan (LTP).	The Council has a 3 to 4 year plan to implement more efficient lighting across the town.
Hartlepool Borough Council: Local Transport Plan.	<p>The Local Transport Plan (LTP) describes the long term strategy for the borough and sets out a programme of improvements to tackle transport problems identified through various forums. These improvements will contribute towards delivering the Governments shared priorities and achieving the vision for Hartlepool. Hartlepool's second LTP for the period 2006 to 2011 was submitted to the Government in March 2006. It sets out how the Council and its partners will improve access to services and facilities for those most in need, improve safety and security, manage forecast increases in traffic growth and congestion, and minimise the adverse impacts of traffic on air quality and climate change. Capital funding totalling over £11 million has been allocated over the next five years for transport improvements. This includes £5.7 million for integrated transport and £4.7 million for structural maintenance of road and bridges. An integrated programme of transport improvements will deliver themed actions plans for accessibility, road safety, congestion and air quality.</p> <p>LTP totalling £100,000 has been identified over the next five years to support small scale highway engineering schemes targeted in deprived urban areas through the NAP process. Priority will be given to schemes identified as the most important by the local community.</p>
Hartlepool Borough Council: Neighbourhood Renewal Street Lighting Budget.	In 2006 / 2007, there is £50,000 of NRF monies allocated for town wide street lighting improvements, and this is likely to continue at a similar scale next year.
Hartlepool Borough Council: Neighbourhood Services Minor Works Budget.	<p>This budget is for minor works such as dropped crossings, lighting, security works, environmental improvements and maintenance in the Burbank area.</p> <p>The budget is managed by the Central Neighbourhood Manager and works are discussed and approved through the Central Neighbourhood Consultative Forum.</p> <p>In 2006 / 2007, £87,000 is available to the Central Neighbourhood Consultative Forum.</p>

CULTURE AND LEISURE

WHAT IS THERE TO KNOW ABOUT THE AREA?

Statistics

- 20% of residents consider teenagers hanging around on the streets to be a serious problem, in comparison to 28% NRF Area and 22% Borough wide (MORI 2004).
- 40% of residents are very satisfied with libraries in the area, in comparison to 32% NRF Area and 34% Borough wide (MORI 2004).
- 2% of residents are very satisfied with sports clubs / facilities in the area, in comparison to 19% NRF Area and 19% Borough wide (MORI 2004).
- 47% of residents are very dissatisfied with children's play areas in the area, in comparison to 21% NRF Area and 17% Borough wide (MORI 2004).
- 31% of residents are very dissatisfied with public parks and open spaces in the area, in comparison to 15% NRF Area and 10% Borough wide (MORI 2004).

Strengths

- Community venues / facilities and associated activities, although many are underused.
- Burbank Community House.
- Bridge Youth Centre.
- The Havelock Centre.
- Burbank Community Garden, Burbank Street and the resident involvement in the original design.
- Burbank Court Common Room.
- Hartlepool Snooker and Social Club.
- Burbank Community Church.
- Burbank Men's Club.
- Bridge Builders however funding is required for new equipment and to upgrade existing equipment.
- Stranton Church, which is in close proximity to the Burbank NAP area.
- Stranton Community Learning Centre (CLC), which is in close proximity to the Burbank NAP area.
- Some local venues / facilities available at subsidised hire rates, although some are not.
- Housing Hartlepool provide office space and training programmes for residents' groups in Burbank Community House.
- The Families Accessing Support Team (FAST Project) offers a weekly football training session and participation in an under 18's youth league: 'Flambrough F.C under 18's'.
- Community Outdoor Organised Leisure (COOL Project) however funding is required for new equipment and to upgrade existing equipment.

Weaknesses

- Community venues / facilities are underused. The local community feel that venues / facilities and activities that are already running are not advertised sufficiently, therefore residents are not aware of their existence.
- Young people gather in large groups; reported that young people perceive many organised activities as 'uncool'.
- No convenient play areas (play ground area or local playing field) for children and young people, and existing open spaces are underused mainly due to unsuitability.
- Lack of activities for local residents particularly young children.
- Lack of qualified individuals to run activities and facilities in the area.
- Bridge Youth Centre and Hartlepool Safe Sports Play Area (Multi Use Games Area – MUGA). Problems around the availability of staff members plus the surface has been tarmacked not turfed as requested, so children and young people use alternative areas, goals are inadequate and it requires floodlights.
- Concerns regarding the closure of the Bridge Youth Centre.
- Hire rates of some local venues / facilities are expensive.
- Lack of local retail units, particularly for healthy food (opening hours of Burbank Food Co-op limited).
- Physical access to local venues / facilities is difficult for disabled users and / or individuals with pushchair.
- Lack of internet access in the Burbank area for the local community.

Strengths <ul style="list-style-type: none"> ▪ Burbank Food Co-op. ▪ Stranton Community Learning Centre (CLC) Food Co-op. ▪ Hartlepool Safe Sports Play Area (Multi Use Games Area – MUGA) adjacent to Bridge Youth Centre, although there are a number of issues around the operating efficiency. ▪ Central Library. ▪ After school activities both Primary and Secondary Schools. ▪ Barnardos B76 Project. ▪ POD in Burbank Community Garden however, children and young people feel that if it was to be made permanent the design would need to be altered and security e.g. CCTV camera would need to be installed. 	Weaknesses See previous page.

GAPS – WHAT NEEDS TO BE DONE

Service delivery issues needing attention	
1.	Increase the activities and organised trips for the local community, particularly for young children.
2.	Raise awareness of the facilities / activities provided throughout the area.
3.	Consult with children and young people to identify what facilities / activities they would like to see in the Burbank area.
4.	Develop a play ground area and provide appropriate play equipment e.g. an adventure play ground and / or a playing field.
5.	Identify and address the barriers which local residents face in utilising local community facilities.
6.	Investigate why the Hartlepool Safe Sports Play Area (Multi Use Games Area – MUGA) is underused.
7.	Minimise the impact of the closure of the Bridge Youth Centre.
8.	Address the problems with the lack of local retail units, particularly for healthy food (opening hours of Burbank and Stranton Food Co-ops are limited).
9.	Look at the possibility of the inclusion of Burbank in long term projects / strategies such as the Coastal Arc.

Headland Development Trust.	<p>Operating from within the Headland area, this charitable trust was formed in 2001 and provides a base for social and economic regeneration. The Trust, through its Community Legal Learning Programme has responded to the community's needs with a view to building capacity. The programme ultimately strengthens communities through those groups within the voluntary and community sector becoming informed and able to lead with increased professionalism. The programme looks to the very real issues that individuals and groups face and assists them to understand the reasons why decisions are made, the process by which those decisions are reached and the responsibilities and liabilities they incur in doing so. As a consequence of this understanding, the individuals themselves become empowered and therefore take part in those same discussions. The Community Legal Learning Programme goes a long way to strengthening communities and to create social capital. The Trust also invests heavily in young people aged between 11-19 years via its Sigma Youth Project through the delivery of a wide range of high quality accredited training, courses and activities that assist young people in their development. As a member of the Open College Network the Headland Development Trust through its pool of qualified tutors can not only deliver OCN accredited training but support the development of bespoke training as required, this could be from helping a group put together a half-day seminar through to the development of their own training initiative. SureStart Central.	<p>The overall aim of SureStart in Hartlepool is to provide a co-ordinated, community driven programme of services for young children aged under 4 and their families. The services will be 'shaped' according to community choice and need, adhering to the overall objectives of SureStart. It will be non-stigmatising, locally accessible service, designed to achieve maximum life chances for all, thus ensuring that children and their parents achieve their full potential within a learning community.</p> <p>Because of the geographical factors of the SureStart area and the diversity of the communities within it, it is envisaged that there needs to be more than one centre from which services will be delivered. It is also envisaged there will be a Core SureStart Team consisting of a variety of professionals. Other organisations will be contracted into provide more specialist provision in respect of domestic violence, drug abuse and adult mental health issues. For more information Tel. 01429 285136.</p>

GAPS – WHAT NEEDS TO BE DONE

Service delivery issues needing attention	
1.	Address the sustainability and mainstreaming of local venues / facilities and activities in the area.
2.	Continue to encourage the multi agency working between residents and service providers.
3.	Continue to improve communication between residents and organisations delivering services in the area.
4.	Encourage more residents to be proactive in the community.
5.	Provide more capacity building opportunities for those active within the community.
6.	Build upon intergenerational activities.
7.	Explore the feasibility of building a multi purpose neighbourhood centre within the area which is open regularly which would become a focal point for the local community, in addition to the Burbank Community Garden and Community House.
8.	Effectively redress the numerous bad press reports surrounding the Burbank area which have been published in the press.

Burbank Neighbourhood Action Plan (NAP) Update.

Summary Document

This document highlights the priority concerns and actions required, as identified in Final for Endorsement, January 2007.

Jobs and Economy

- **Continue to identify barriers to learning and employment opportunities and seek to address these barriers.**
- Commission a survey in order to ascertain the barriers preventing local people from accessing employment and lifelong learning opportunities and consult with local businesses to identify their employment related needs.
- Identify which barriers need to be tackled most urgently, by carrying out a prioritisation exercise.
- Tackle each barrier, according to order of priority, for example, carry out a skills audit and seek ways of improving the basic and key skills of local people by encouraging increased take-up of community-based adult education courses and involvement in community activities. Another example, should poor health be a priority barrier to employment, then health care facilities and amenities should be improved and increased.
- **Continue to increase local residents' chances of entering employment and returning to work by developing initiatives to support and encourage local residents to take up employment or training opportunities.**
- Promote current community-based initiatives available to Burbank residents that provide support and encouragement to those accessing or wishing to access employment or training opportunities.
- Work towards improving the employability of local residents by co-ordinating, increasing and tailoring training, advice, support and guidance provision i.e. look into the possibility of employing a community-based person to co-ordinate activities and provide support to Burbank residents.
- Increase the importance of general skills needed for the workplace, for example, punctuality and team work.
- Increase the level of career guidance in schools and further and higher educational establishments and look at providing it from an earlier age within schools.
- Increase vocational training opportunities in schools such as woodwork and other trade related practical activities.
- **Identify and foster closer links with local businesses and encourage them to employ people from the local area.**
- Increase the number of local employment opportunities within and on the outskirts of Burbank by continuing to support those businesses in the neighbouring Longhill & Sandgate Industrial Estates and the nearby Newburn Bridge Industrial Estate to grow and boost relationships between businesses, schools, Hartlepool College of Further Education (HCFE) and training providers / schemes and Burbank residents via the Business Liaison Manager.

- Create a focus group to bring local residents and businesses together.
- **Encourage community enterprise initiatives, business start-ups and facilitate routes into self-employment in order to increase the range of employment opportunities available to local people, and to stimulate the local economy.**
- Increase the range of employment opportunities in and surrounding the local area by encouraging new business start-ups or in attracting established businesses to the area, particularly in the neighbouring Longhill & Sandgate Industrial Estates and nearby Newburn Bridge Industrial Estate, and nearby businesses in Hucklehoven Way as well as increasing and improving access to Brougham Enterprise Centre and its services.
- Continue to raise awareness of the business support, advice, guidance and financial assistance available in and surrounding the local area.
- Assist community-based indigenous businesses to become more sustainable by continuing to provide business support and information.
- **Continue to tackle the challenging behaviour of some individuals through creating better links with young people and businesses.**
- Create diversionary activities for young people by encouraging businesses to offer work experience / training opportunities to those displaying challenging behaviour by way of enrichment and by encouraging businesses to become more involved in the community.
- Explore the possibility of local and nearby businesses providing sponsorship to enable local football teams / league players to purchase football strips.
- **Address poor transport links.**
- Avoid the need for residents to walk to the town centre for bus services in order to get to places of employment or to access employment / business related services by seeking to improve local transport services including links to and from other parts of town.

Lifelong Learning and Skills

- **Continue and increase participation in Adult Education courses in the area, including funded private tuition opportunities.**
- Increase the take up of Adult Education courses.
- Increase the variety of Adult Education courses provided by Hartlepool Borough Council: Adult Education in the area.
- Improve adult literacy and numeracy.
- Remove barriers to educational opportunities, for example improved transport.

- **Lack of a permanent school bus, particularly on a morning and / or public bus services to transport people across the town to secondary schools and health centres.**
- School pupils to identify where and when buses are required. Liaise with appropriate secondary schools, Hartlepool Borough Council's Children's Services (Education), ARRIVA / Stagecoach and Hartlepool Borough Council's Local Transport Coordinator to discuss options.
- **Explore ways of improving the aspirations that young people have about their future.**
- Increase the information and guidance given on further education, for example college and university.
- Expand work experience opportunities by establishing links between education establishments and businesses in the area.
- Provide more educational trips / activities for young people including informal educational activities.
- **Increase local access to an IT suite / Internet cafe, IT classes delivered by a qualified tutor, homework clubs and library.**
- Develop an area locally for people to access IT facilities and tuition or improve transport links to the Central Library where IT facilities are available.
- Increase the availability of homework clubs locally.
- **More vocational learning opportunities required, particularly for young people.**
- Create more 'hands on' learning opportunities in schools, for example woodwork.
- Promote and develop existing apprenticeship schemes.
- **Continue to improve the educational attainment of all school children, at both primary and secondary level (particularly at Key Stage 2 and GCSE level).**
- Reduce truancy levels, monitor bullying issues and encourage young people to stay in school.
- Monitor the fluctuations in attainment that occur in local schools.

Health and Care

- **Improve access to health services in the area.**
- Increase the opening hours / days of operation of the Burbank Food Co-op and the Stranton Community Learning Centre Food Co-op.
- Health promotion needed throughout the area, especially the promotion of existing services e.g. Community Nurse based in SureStart.
- Investigate the possibility of providing more health services such as community drop-in sessions and / or nurse led prescribers.

- Investigate the possibility of complementary therapies to relieve stress e.g. podiatry, massage, reflexology, relaxation techniques and self-defence / assertiveness training.
- Improve signposting services.
- **Continue to improve the health and fitness programmes available within the area, especially for young people and the elderly.**
- Improve the promotion of concessionary rate schemes that are available in the area (e.g. Active Card scheme).
- Seek to extend existing health and fitness services (e.g. FAST Project) through the provision of affordable facilities for residents of all ages.
- Ensure existing activities are transferred to alternative venues (e.g. gym equipment) which are of high standard / specification, to minimise the impact on the local community.
- **Continue to improve awareness of health education for all age groups.**
- Educate the local community and raise awareness of services that are already in operation / planned for the area.
- Work with local schools and the Burbank Forum to raise the awareness and promote healthy eating.
- **Improve length of waiting times when making doctors / dentist appointments.**
- Explore the possibility of providing outreach services within the area (e.g. Health Bus).
- Liaise with local surgeries to discuss and assess the difficulties residents face.
- Educate the local community on how to access the most relevant medical treatment.

Community Safety

- **Continue to assess and improve street lighting in the area as required.**
- Assess the need for further street lighting improvements and dusk til dawn lighting in any vulnerable areas.
- **Continue to maintain and improve Police presence in the area.**
- Increase Police presence in the area when the Neighbourhood PC and PCSO are not on duty, and maintain their good relationships with the local community and young people in particular.
- **Continue to improve the estate layout to help reduce crime and anti social behaviour.**
- Complete the closure of alleyways and assess the need for further alleyway closures to reduce crime and anti social behaviour.
- **Continue to remove shrubs in vulnerable areas to address anti social behaviour and fear of crime, particularly on a night.**
- Investigate and identify problem / vulnerable areas with local residents.

Environment and Housing

- **Address the problem of vacant Jomast properties within the area, and continue to repair, rectify and reduce the number of vacant properties within the area.**
- Implement Housing Hartlepool improvements and the Local Estate Agreement.
- Continue improvements to Housing Association stock.
- Support Jomast's plans to improve properties in Hucklehoven Court.
- **Continue to improve and maintain the estate layout and design out crime.**
- Complete the closing off of alleyways e.g. Goodwin Walk.
- Assess the need for further street lighting improvements and identify the most vulnerable areas e.g. Ward Jackson Primary School.
- **Continue to improve the general appearance of the area.**
- Better response by litter clearance services to cover most problematic periods / areas.
- Extend the provision of hanging baskets and improve landscaping and planting schemes / removal of remaining identified shrubs.
- Reduce dog litter especially in 'hot spot' areas such as St Josephs Nursery, Longscar / Hilda Walk.
- **Continue to improve and utilise all facilities on the estate.**
- Explore the possibility of a post box and telephone box on the estate.
- Explore the possibility of a football pitch on the wasteland to the rear of Burbank Street.
- Assess the need for improved signage on the estate, including a sign for Burbank Court.
- Explore the possibility of a nature garden / play area within the Community Garden for young people to take ownership of.
- Improve local recycling amenities for drop offs such as bottle banks and frequency of recycling collection from households.
- **Further improve road safety issues and improve access to, from and within the estate.**
- Reduce speeding traffic e.g. outside Ward Jackson Primary School, Clark Street, Victoria Terrace / Maritime Avenue and restrict HGV vehicles on Burbank Street.
- Explore the feasibility of a crossing of Burbank Street to the Community Garden.
- Explore the feasibility of a crossing at Burn Road to Tesco.
- Explore the feasibility of extending the pedestrian crossing times on the A689.
- Explore the feasibility of improving bus services to, from and within the estate.
- **Improve the condition of uneven pavements in certain areas of the estate.**

- Investigate the possibility of improving the condition of hazardous pavements in St Anne's Court / St Catherine's Court and Burbank Street.

Culture and Leisure

- **Lack of activities and organised trips for the local community, particularly for young children.**
- Increase and provide a more diverse range of activities in the Burbank area particularly on an evening and outside of term time, and develop an internet café / provide access to the internet. In consultation with children and young people.
- Increase organised day trips and residentials for local residents from the Burbank area, e.g. trips to the cinema and the pantomime.
- Encourage children and young people to become involved in the local community e.g. look towards the development of a Youth Forum to involve children and young people in the decision making process.
- **Promote existing activities that are available for residents in the Burbank area.**
- Develop a Community Index of Activities.
- Better publicity from Service Providers including increased attendance at Residents Associations, and Community / Voluntary Sector to spread the word.
- **Need to identify what children and young people would like with regards to activities / facilities.**
- Conference for children and young people to identify their needs and requirements and at the same time, identify the barriers in relation to access to the Multi Use Games Area (MUGA).
- Establish a Youth Forum to involve children and young people in decision making process.
- Organisations to co-ordinate present and future activities more effectively.
- **No additional convenient play areas (play ground area or local playing field) for children and young people, and existing open spaces are underused mainly due to unsuitability.**
- Create a play area in Burbank Community Garden. Also look at provision with regard to football pitches / basketball courts in the Burbank area.
- Look at the possibility of making the Youth Pod within Burbank Community Garden permanent. The design however would need to be altered and security e.g. CCTV camera would need to be installed.
- **Identify and address the barriers which local residents face in utilising local community facilities.**
- Widely advertise existing venues / facilities and activities plus any future services.
- Look at the possibility of reducing the hire rates of some local venues / facilities as these are often expensive.
- Raise awareness of the concessionary pricing policy for HBC services.
- Address the issues with regards to the physical access to local venues / facilities.

- Look at the possibility of upgrading venues / facilities / equipment where required.
- **Existing Hartlepool Safe Sports Play Area (Multi Use Games Area - MUGA) underused.**
- Identify barriers with regards to access to the MUGA e.g. look at staffing issues, address the reported problems around the surface being tarmacked and not turfed as requested (current surface causes damage to footwear and clothing), inadequate goals and requires floodlights.
- Encourage use of the Multi Use Games Area (MUGA) through establishing a programme of events and activities in consultation with local residents.
- Increase publicity around the availability of the Multi Use Games Area (MUGA).
- **Closure of the Bridge Youth Centre.**
- Ensure existing activities are transferred to alternative venues (e.g. snooker tables, gym equipment etc.) which are of a high standard / specification, to minimise the impact on the local community.
- Undertake a feasibility study to look at how services will be delivered from Burbank Community House to ensure it is developed effectively (particularly with the closure of the Bridge Youth Centre) and upgrade the centre where required.
- **Lack of local retail units, particularly for healthy food (opening hours of Burbank and Stranton Food Co-op are limited).**
- Increase the number local retail units, particularly for healthy food.
- Look at the possibility of extending the opening hours of the Burbank Food Coop.
- **Inclusion of the Burbank area in long term projects / strategies.**
- Look at the possibility of considering Burbank in future developments arising from the Coastal Arc.

Strengthening Communities.

- **Address the sustainability and mainstreaming of local venues / facilities and activities in the area.**
- Ensure a coordinated approach is taken by all statutory and community / voluntary sector organisations operating in the area.
- Undertake a feasibility study to look at how services will be delivered from Burbank Community House to ensure it is developed effectively and will be sustainable (particularly with the closure of the Bridge Youth Centre).
- **Continue to encourage the multi agency working between residents and service providers, and increase communication between residents and organisations delivering services in the area.**
- Continue to hold regular meetings of the Burbank Forum and Sub-Group.
- Service providers to feed back to residents to improve communication links.
- **Encourage more residents to be proactive in the community.**

- Hold further capacity building sessions / events in the local community.
- Continue to support the Burbank Forum, existing residents associations and community / voluntary groups plus any new groups which are developed in the future to strengthen the role of residents in the decision making process.
- **Build upon intergenerational activities.**
- Hold regular events to ensure children and young people can engage with residents of an older generation and vice versa, e.g. family fun days.
- Encourage children and young people to become involved in the local community e.g. Youth Forum to involve children and young people in the decision making process.
- **Lack of multi purpose neighbourhood centre within the area which is open regularly and would be a focal point for the local community, in addition to the Burbank Community Garden and Community House.**
- Explore the feasibility of building a multi purpose community centre within the area to include internet access.
- Develop an existing facility to include internet access.
- **Numerous bad press reports in the past which need to be effectively redressed.**
- Continue to increase the number of 'good news stories' and promote the area in the local press.

REGENERATION, LIVEABILITY & HOUSING PORTFOLIO

Report To Portfolio Holder
19th January 2007

Report of: Head of Community Strategy

Subject: NEIGHBOURHOOD RENEWAL FUND (NRF)
PROGRAMME & NEIGHBOURHOOD ELEMENT
2006/7

SUMMARY

1.0 PURPOSE OF REPORT

- 1.1 The purpose of this report is to notify the Regeneration, Liveability & Housing Portfolio Holder of the current spend for NRF and Neighbourhood Element Programmes 2006/07; to seek agreement to modifications to the NRF Health & Care programme; and to seek agreement to granting delegated authority to the Head of Community Strategy to bring forward agreed interventions for 2007/08 into 2006/07 to minimise carry over.

2.0 SUMMARY OF CONTENTS

- 2.1 The report sets out the spend against the NRF and Neighbourhood Element funding programmes as at the end of October 2006 and puts forward modifications to the Health & Care NRF programme for agreement. The report also seeks the approval for the delegation of authority to the Head of Community Strategy to enable interventions already approved for 2007/8 to be brought forward into 2006/7 in order to manage the NRF programme underspend to within the 5% carry over limit set by Government Office.

3.0 RELEVANCE TO PORTFOLIO MEMBER

- 3.1 Neighbourhood Renewal, NRF and Neighbourhood Element Funding are within the remit of the Regeneration, Liveability & Housing Portfolio.

4.0 TYPE OF DECISION

4.1 Key decision (Test (ii) applies)

5.0 DECISION MAKING ROUTE

5.1 Portfolio Holder decision.

6.0 DECISION(S) REQUIRED

6.1 To agree the proposed modifications to the NRF Health & Care programme and to delegate authority to the Head of Community Strategy to bring forward agreed interventions for 2007/08 into 2006/07 to minimise carry over.

Report of: Head of Community Strategy

Subject: NEIGHBOURHOOD RENEWAL FUND (NRF)
PROGRAMME & NEIGHBOURHOOD ELEMENT
2006/7

1. PURPOSE OF REPORT

- 1.1 The purpose of this report is to notify the Regeneration, Liveability & Housing Portfolio Holder of the current spend for NRF and Neighbourhood Element Programmes 2006/07; to seek agreement to modifications to the NRF Health & Care programme; and to seek agreement to granting delegated authority to the Head of Community Strategy to bring forward agreed interventions for 2007/08 into 2006/07 to minimise carry over.

2. BACKGROUND

- 2.1 The Portfolio Holder has agreed the 2006/07 NRF programme at a number of meetings during late 2005 and 2006. The Government has set a maximum carry over limit of 5% of the overall 2006/07 allocation of £4.830m. It is important that we seek to reduce the carry over to as close as possible to zero to demonstrate efficient programme management and prevent funding that has not been spent being returned to government.
- 2.2 The Portfolio Holder has also agreed the 2006/07 Neighbourhood Element programme at meetings in October 2005 and March 2006 and received a mid-year update at the October 2006 meeting.

3. PROGRAMME UPDATE

- 3.1 A financial update from the end of October 2006 highlighted that the NRF spend was progressing on target with £2.050m of the £4.830m budget being spent. While spend is generally progressing well there are likely to be projects, including those associated with Neighbourhood Action Plans (NAPs), where underspends may arise later in the financial year.
- 3.2 At the end of October 2006, £71,350 of the Neighbourhood Element had been spent. The allocation for 2006/07 is £412,800. As reported previously to the Portfolio Holder it is expected that the majority of the funding will be spent in the latter part of the year. The majority of

Neighbourhood Element funding has been allocated by NAP Forums and will be spent before the end of March 2007.

4. NRF HEALTH & CARE PROGRAMME

- 4.1 The Health & Care Strategy Group have been closely monitoring their NRF programme and have established a Sub Group to assess the progress of projects and prioritise alternative activities to utilise their full allocation for 2006/7. The Health & Care Strategy Group has agreed that where possible funding will remain within project areas and be spent on activities that will contribute towards the overall aim of the original project. If this is not a viable option then the Health & Care Strategy Group have agreed a priority list of alternative interventions.
- 4.2 Three current projects are predicting an underspend. The Healthy Schools Project (£109,700 for 2006/7) has experienced recruitment delays and funding has been reallocated within the project to allow for more activities to be commissioned. A further report on project spend is to be taken to the Health & Care Strategy Group in January 2007.
- 4.3 The Discharge Planning Post project (£30,000 for 2006/7) has also encountered a delay in staff recruitment and is forecasting a £6,000 underspend this year. The Health & Care Strategy Group recommend that £2,380 of this be used to fund a winter Flu campaign through the Life Channel. The Life Channel is transmitted through a network of TV screens in Doctors Surgeries across the town and provides an opportunity to share public health messages with patients.
- 4.4 The Connected Care/Health Trainers Project (£117,250 for 2006/07) will underspend by approximately £24,000. The Health & Care Strategy Group agreed to recommend that £22,000 from the Connected Care/Health Trainer project be used to fund development work on the Owton Connected Care initiative and that funding also be allocated towards developing the Social Prescribing framework for Hartlepool. A decision on the amount of NRF allocated to Social Prescribing, plus other interventions on the agreed priority list will be taken by the Health & Care Strategy Group in January 2007 when there will be a more accurate picture of the expected underspend across the Health NRF theme. A report detailing this will be brought to the Portfolio Holder in February.
- 4.5 When the Health & Care NRF programme was agreed by the Portfolio Holder in June 2006 the Mobile Maintenance Project was provisionally agreed for the first 6 months of 2006/7 with further funding ring-fenced and approval subject to a review of low-level support activity in the Borough. The low-level support mapping exercise built on the previous exercise carried out in 2003 and was reported to the Health & Care Strategy meeting in November. Copies of the report are available from the Hartlepool Partnership website or by contacting the Partnership

Support Team on 284147. Following the presentation of the low-level support research the Health & Care Strategy Group agreed to fund the Mobile Maintenance project until 31st March 2008 (£20,022 – 2006/7 and £20,552 – 2007/8).

5. NRF PROGRAMME MODIFICATIONS

- 5.1 The Portfolio Holder has already agreed the majority of the NRF Programme for 2007/08. It is requested that the Portfolio Holder delegate authority to the Head of Community Strategy to bring agreed 2007/08 interventions forward into the 2006/07 financial year, where this is practical. It is likely that further requests to carry over interventions into 2007/08 will emerge over the next two months and the ability to manage the programme in this flexible way is essential to ensure carry over is minimised.

6. FINANCIAL IMPLICATIONS

- 6.1 There will be no overall financial change but agreement is sought for revisions within the already approved NRF programme.

7. RECOMMENDATIONS

- 7.1 The Portfolio Holder is requested to:
- Note the progress on the NRF and Neighbourhood Element Programmes;
 - Agree the modifications to the NRF Health Programme; and
 - Agree delegated authority to the Head of Community Strategy to bring forward agreed interventions for 2007/08 into 2006/07 to minimise carry over.

REGENERATION, LIVEABILITY & HOUSING PORTFOLIO

Report To Portfolio Holder
19th January, 2007

Report of: Assistant Director (Planning & Economic Development)

Subject: ALLOCATION OF PLANNING DELIVERY
GRANT FUNDING 2006 - 2007

SUMMARY

1.0 PURPOSE OF REPORT

- 1.1 The report recommends the allocation of the remaining uncommitted Planning Delivery Grant (PDG) funding for 2006 – 2007.

2.0 SUMMARY OF CONTENTS

- 2.1 The report indicates that approximately £90,000 PDG remains to be allocated and, after taking account of some cost variations on previously agreed items, recommends that the following items are funded:

	Proposed funding
GPS purchase (for detailed site mapping / surveying)	£6,515
Continued recruitment of planning students in 2007 – 2008	£16,700
Conversion of part-time Planning Information Officer post to full - time	£7,000
Conversion of part-time Assistant Directors' PA post to full-time	£9,300
Electronic consultation system package for planning policy	£6,500
Contributions to nature conservation studies (Breeding Birds Atlas, Tees Estuary study)	£4,000
Conservation areas appraisal and survey work (For Park and other residential conservation areas to assist policy review)	£20,000
New GIS licences (2 no.)	£3,500
Legal and professional fees for enforcement action regarding untidy properties	£7,000
TOTAL	£80,515

3.0 RELEVANCE TO PORTFOLIO MEMBER

3.1 The work areas identified fall within the Portfolio.

4.0 TYPE OF DECISION

4.1 Non – key.

5.0 DECISION MAKING ROUTE

5.1 Portfolio Holder, 19th January, 2007.

6.0 DECISION(S) REQUIRED

6.1 That the Portfolio Holder approves the proposed allocations of Planning Delivery Grant as indicated in the report.

Report of: Assistant Director (Planning & Economic Development)

Subject: ALLOCATION OF PLANNING DELIVERY GRANT FUNDING 2006 - 2007

1. PURPOSE OF REPORT

- 1.1 This report recommends the allocation of the remaining uncommitted Planning Delivery Grant (PDG) Funding for 2006 - 2007.

2. BACKGROUND

- 2.1. Planning Delivery Grant is performance - related grant funding from the Department for Communities and Local Government. The allocation for 2006 – 2007 was £288,583, of which £198,098 has already been allocated as a result of previous Portfolio Holder decisions, on the items listed below.

	Funding
Support for Permanent Staffing Arrangements	£143,695
One Year Temporary Post – Planning Student	£16,403
Contribution to Access Group	£10,000
Staff Training	£8,000
LDF – Flood Risk Survey	£20,000
TOTAL	£198,098

- 2.2 A total of £90,485 therefore remains available for allocation. The funding can be utilised in later years, if appropriate.

3. PROPOSED ALLOCATIONS

- 3.1. It is necessary firstly to confirm costings on certain items from the list above, and from the previous year's allocation, which have incurred cost variations, e.g. in the light of confirmed consultancy costs, expanded consultation arrangements for the Headland Conservation Area Appraisal.

	Revised cost	Additional funding (saving)
Headland Conservation Area Appraisal	£22,750	£7,557
Open Space Audit	£43,500	£13,500
Flood risks study contribution	£9,002	(£10,998)
Net increased funding requirement	-	£10,059

- 3.2 The following new allocations are proposed after a review of needs to assist the delivery of the various planning functions:

	Proposed funding
GPS purchase (for detailed site mapping / surveying)	£6,515
Continued recruitment of planning students in 2007 – 2008	£16,700
Conversion of part-time Planning Information Officer post to full - time	£7,000
Conversion of part-time Assistant Directors' PA post to full-time	£9,300
Electronic consultation system package for planning policy	£6,500
Contributions to nature conservation studies (Breeding Birds Atlas, Tees Estuary study)	£4,000
Conservation areas appraisal and survey work (For Park and other residential conservation areas to assist policy review)	£20,000
New GIS licences (2 no.)	£3,500
Legal and professional fees for enforcement action regarding untidy properties	£7,000
TOTAL	£80,515

4. RECOMMENDATIONS

- 4.1 That the Portfolio Holder approves the proposed allocations of Planning Delivery Grant, as indicated in sections 3.1 and 3.2.

REGENERATION, LIVEABILITY & HOUSING PORTFOLIO

Report to Portfolio Holder
19th January 2007

Report of: Assistant Director (Planning and Economic Development)

Subject: ESF OPERATIONAL PROGRAMME
CONSULTATION

SUMMARY

1.0 PURPOSE OF REPORT

- 1.1 The Portfolio Holder is requested to endorse the anticipated response to the European Social Fund Division on the ESF Operational Programme Consultation to be prepared by the Tees Valley European Partnership.

2.0 SUMMARY OF CONTENTS

- 2.1 The report refers to a consultation document on the European Social Fund Operational Programme which provides a strategy for the management of ESF resources in the UK over 2007 to 2013. A response is currently being developed on behalf of the Tees Valley European Partnership and should be available by the time of the Portfolio Holder meeting.

3.0 RELEVANCE TO PORTFOLIO MEMBER

- 3.1 Economic Development issue within the Portfolio.

4.0 TYPE OF DECISION

- 4.1 Non-key.

5.0 DECISION MAKING ROUTE

- 5.1 Regeneration, Liveability & Housing Portfolio 19th January, 2007.

6.0 DECISION(S) REQUIRED

- 6.1 The Portfolio Holder is advised to endorse the anticipated response to the European Social Fund Division on the ESF Operational Programme consultation to be prepared by the Tees Valley European Partnership.

Report of: Assistant Director (Planning and Economic Development)

Subject: ESF OPERATIONAL PROGRAMME CONSULTATION

1. PURPOSE OF REPORT

- 1.1 The Portfolio Holder is requested to endorse the anticipated response to the European Social Fund Division on the ESF Operational Programme Consultation to be prepared by the Tees Valley European Partnership.

2. BACKGROUND

- 2.1 The ESF Operational Programme will set out the procedures for the regulation of European Social Fund from 2007 to 2013.

3. CONSULTATION

- 3.1 The National Strategic Reference Framework which provides a framework for the allocation and management of European funding over 2007 - 2013 has now been agreed and the ESF Operational Programme has been sent out for consultation. Responses are required by the 22 January 2007.
- 3.2 The consultation document is a large document of 212 pages which provides the following information:
- Background to the current labour market position in the UK. This highlights the strengths and weakness that need to be addressed in the new programme
 - The strategy is to be used by the European Social Fund over the next seven years to get maximum value from the reduced resources
 - The Priorities under which applications can be made for project funding
 - How the programme will be implemented
 - Details of how the funding will be split across England. The England ESF programme for 2007-2013 is 2.75 billion Euros and the North East will be allocated 212 million Euros. At the current exchange rate this would be around £142 million.
- 3.3 The Tees Valley European Partnership (TVEP) are preparing a response to the consultation for the Tees Valley. This will be discussed at their meeting on the 10th January, 2007 and the final document completed by the 17th January, 2007 in time for your

meeting on the 19th January, 2007. Your officers will seek to ensure that the final document reflects the views of Hartlepool.

4. FINANCIAL IMPLICATIONS

- 4.1 Hartlepool has accessed considerable ESF funding in recent years. During the 2000-2006 programmes the Targeted Communities Package for Hartlepool has been offered £6,240,000 with several project applications still to be determined. The Business ESF funding is primarily on a sub-regional basis so an exact Hartlepool figure is not available but would also be several million. The Objective 3 ESF was mainly direct bidding for 2001-2003 and provided over £800,000. From 2003-2006 it has been primarily Co-financing through LSC and Job Centre+ and much of this has been for sub-regional projects but the Hartlepool share would be over £1,000,000. This would bring the total ESF to Hartlepool for the 2000-2006 period to around £10 million.
- 4.2 The ESF funding in the last programme has made a major contribution in reducing unemployment and increasing employment and skills in Hartlepool. Unemployment has reduced from (11.4%) in January 2000 to (4.4%) in November 2006. It is essential that this support continues in the next programme. With Hartlepool having only 3.5% of the North East population it is unlikely that we will be able to achieve the same level of funding from ESF. However, it is important that the best possible position is achieved for both Hartlepool and the North East.

5. RECOMMENDATIONS

- 5.1 That the Portfolio Holder endorses the anticipated response to the European Social Fund Division on the ESF Operational Programme consultation to be prepared by the Tees Valley European Partnership.

REGENERATION, LIVEABILITY & HOUSING PORTFOLIO

Report To Portfolio Holder
19th January, 2007

Report of: Director of Regeneration & Planning Services

Subject: REGIONAL ECONOMIC STRATEGY ACTION
PLAN

SUMMARY

1.0 PURPOSE OF REPORT

- 1.1 To outline the main recommendations of the Regional Economic Strategy (RES) Action Plan consultation document and to seek authorisation for a Council response.

2.0 SUMMARY OF CONTENTS

- 2.1 The reports summarises the content of the draft Action Plan under the themes of business, people and place and the indicative resource allocations. Comments from a Hartlepool perspective are offered, the most notable concerns being the apparent lack of prioritisation of the Coastal Arc and the substantial reduction in proposed Single Programme funding in 2008 – 2011 for the Place agenda, from which the bulk of Hartlepoons projected regeneration investment would be funded.

3.0 RELEVANCE TO PORTFOLIO MEMBER

- 3.1 The RES falls within the Portfolio.

4.0 TYPE OF DECISION

- 4.1 Non – key.

5.0 DECISION MAKING ROUTE

- 5.1 Regeneration, Liveability and Housing Portfolio Holder, 19.01.07.

6.0 DECISION(S) REQUIRED

- 6.1 That the Portfolio Holder authorises a response to One North East on the RES Action Plan consultation draft in the light of this report and any additional points emerging from discussions with One North East.

Report of: Director of Regeneration & Planning Services

Subject: REGIONAL ECONOMIC STRATEGY ACTION PLAN

1. PURPOSE OF REPORT

- 1.1 To outline the main recommendations of the Regional Economic Strategy (RES) Action Plan consultation document and to seek authorisation for a Council response.

2. BACKGROUND

- 2.1 “Leading the Way: The Regional Economic Strategy 2006 – 2016” (RES) was produced by One North East, after consultation with a wide range of parties across the region, in autumn 2006. ONE has now prepared a draft Action Plan, describing the main activities proposed for the period 2006 – 2011 and identifying the responsible lead party, other partners and broad, preliminary indicators of the scale of resources that ONE and partners are planning to invest in each activity. Responses to the draft Action Plan are requested by 30th January, 2007, although the draft Plan indicates that the draft will be “enhanced and refined” between November 2006 and February 2007, with ONE then publishing a final version.

3. PROPOSED ALLOCATIONS

- 3.1 The draft Action Plan acknowledges the challenging targets set in the RES relating to increased productivity, business formation and employment creation and identifies the consequent need to:
- Improve productivity, particularly in business services, energy, health and social care, creative industries and chemicals and pharmaceuticals
 - Improve the skills of the workforce
 - Continue to invest in road, rail, air and port improvements
 - Continue to invest in the Tyne and Wear and Tees Valley City Regions
 - Invest in culture and tourism
 - Enhance the environment
 - Create sustainable communities to provide quality housing and public services.
- 3.2 Having acknowledged these general aims, however, the draft Action Plan indicates an intention to concentrate on “fewer bigger strategic

investments and addressing market failure”. Six “transformational interventions” are identified as “key highlights”:

Business

1. Building a new Enterprise Surge
2. Boosting Productivity
3. Promoting Science, Innovation and Design in Business

People

4. Skills: Enhancing the Capability of the Workforce
5. Economic Inclusion: Increasing the Size of the Workforce

Place

6. Investing in the Economic Hearts of our City Regions

3.3 The draft Action Plan sets out the main activities to be pursued within each of the above interventions:

- a) Building a new Enterprise Surge: Creating an entrepreneurial culture; attracting entrepreneurs to the region; an integrated business start up programme; developing innovative support initiatives, including in deprived communities; and a focus on high growth start-ups. The new Business Link North East organisation is seen as the lead player, delivering volume support in the form of information, diagnostics and account management, with “non-volume business support” for businesses likely to have a “transformational impact on the region’s economy” delivered by ONE and “specialist regional bodies”.

Comment: Much of the work already undertaken by the Council and its partners will continue to be relevant in this context. The draft Action Plan indicates that ONE “will ensure that local authority enterprise and other local delivery programmes are aligned with regional initiatives” and clearly we shall continue to seek close working relationships with the new Business Link.

- b) Boosting Productivity: A focus on the nine priority sectors identified in the RES, including: chemicals, food and drink, tourism, health and social care; indigenous business support; and attracting inward investment.

Comment: Again, local authorities will have a continuing role to play within this context, particularly in helping local businesses to gain access to specialist support, but the draft Action Plan omits any reference to such contributions.

- c) Promoting Science, Innovation and Design in Business: Creating “innovation connectors” featuring leading edge new facilities and joint business and university R and D programmes, including regional energy centres, NET Park and Wilton Materials Centre; promoting design and product innovation, including developing the e - agenda via such initiatives as Digital City.

Comment: Such emphases put a premium on building our links with relevant specialist centres to facilitate business access to the resources available.

- d) **Skills: Enhancing the Capability of the Workforce:** Seeking to ensure the provision of training of the appropriate type and level to respond to business needs in the priority sectors, including higher level skills; raising the aspirations and attainment of young people, including those not in employment, education or training, those with learning difficulties or disabilities and those who are young offenders; establishing a “New Community of Schools” to engage with regional economic development; further developing the ‘Train to Gain’ programme; and enhancing Information, Advice and Guidance services. The Regional Skills Partnership is seen as having an overall co-ordination role, with the LSC as the lead partner for much of this activity.

Comment: There is a wide range of proposed initiatives in this section, many of which are already being pursued, at least partially, by a wide range of partners using mainstream and project funding of various sorts. As such, there is a significant task in effective co-ordination of funding and delivery and a risk that Single Programme resources may simply expand existing mainstream funding and/or be spread too thinly over numerous initiatives. These risks put the onus on the Regional Skills Partnership and the Sector Skills Councils to co-ordinate and prioritise and it could be argued that the Action Plan should have a sharper focus to minimise these risks, e.g. a strong emphasis on higher level skills as reflected in feedback from businesses in the Tees Valley and a broad long term commitment to raising aspirations.

- e) **Economic Inclusion: Increasing the Size of the Workforce:** Improving access to employment for targeted disadvantaged groups; raising economic participation in deprived communities; promoting volunteering and the roles of the voluntary and community sector; attracting and retaining skilled people.

Comment: The Council has significant experience in addressing employment access issues for a wide range of disadvantaged groups, but the role of local authorities in this respect is not recognised in the Action Plan.

- f) **Investing in the Economic Hearts of our City Regions:** Developing and implementing the City Region Development Programmes, including, for the Tees Valley, supporting growth sectors such as chemicals and processing, and the development of the Coastal Arc; developing a strategic approach to market towns and rural centres; delivering a portfolio of business premises; considering a “Northern Places Fund” to invest in a wide range of projects that would raise the quality of the North’s places, principally the city regions, to create the conditions for economic growth; delivering specialist accommodation for science, design and innovation, e.g. Wilton and Digital City; addressing housing market imbalances; investing in cultural and leisure facilities; improving connectivity within the region and to national and international destinations.

Comment: The Coastal Arc is given only a brief recognition within the Action Plan, which, for Tees Valley, highlights the Stockton –

Middlesbrough Initiative, whilst within the Tyne – Wear City Region, spatial priorities relating to Newcastle and Gateshead, Sunderland, Durham City and South East Northumberland / North Tyneside are all highlighted. Durham – Tees Valley Airport receives only the briefest of mentions and there is no reference to the Tees Valley Metro proposals and other strategic transport schemes in the Tees Valley.

- 3.4 Whilst not identified as a “transformational intervention”, the draft Action Plan also refers to a range of measures under the heading “Promoting, Enhancing and Protecting our Natural, Heritage and Cultural Assets”, within which the following activities are included: supporting the development of the tourism, cultural and leisure offer; investing in high quality festivals and events; focussing continued investment on the Regional Image Strategy and on tourism promotion and the work of the regional Tourism Network and the Area Tourism Partnerships. “Indicative investments” mentioned include “coastal investment” and Saltholme Wild Bird Discovery Centre.

Comment: Recognition of the importance of building on these assets is welcomed, but the priority attached to such activities, given that they are not explicitly mentioned among the “transformational interventions”, is not clear. Certainly from Hartlepool’s perspective, much of the past and ongoing regeneration has been based on maximising the impact of our assets and confirmation that such investment is regarded by ONE as a priority would be important.

- 3.5 The draft Action Plan also stresses the importance of strong collective regional leadership and proposes a number of measures to build leadership capacity within the region including: closer collaboration at Chief Executive level; developing leadership skills; building the evidence base; and aligning regional, sub-regional and local priorities.

- 3.6 The draft Action Plan also sets out indicative expenditure figures for each of the themes, with the proposed Single Programme investment as follows:

	Average Annual expenditure, £m	
	2006 – 2008	2008 – 2011
Business	107.5	102.8 – 126.0
People	23.8	25.2 – 30.9
Place	111.5	82.7 – 101.0
Leadership	3.8	3.5 – 4.3
Totals	246.6	214.2 – 262.2

- 3.7 The range of figures for 2008 – 2011 reflect potential outcomes from the Comprehensive Spending Review 2007, ranging from a reduction of 13% to an increase of 7%. Of particular concern to Hartlepool and the Tees Valley is the level of resourcing proposed over 2008 – 2011 for the Place theme. For that theme the proposed annual Single Programme allocations are as follows:

	Average Annual expenditure, £m	
	2006 – 2008	2008 – 2011
City Regions, Market Towns, Sustainable Communities	77.5	21.7 – 26.7
Business accommodation	16.0	24.0 – 29.3
Transport and ICT	2.0	11.0 – 13.3
Image, Natural, Heritage and Cultural Assets	16.0	26.0 – 31.7
Totals	111.5	82.7 – 101.0

3.8 It is apparent that the proposed funding for city regions, from which the bulk of Hartlepool's and the Tees Valley's identified investment plans would need to be funded, reduces substantially in 2008 – 2011. By way of comparison, the projected Single Programme investment in the Coastal Arc within the Tees Valley Investment Plan submitted last autumn was £15.5m for 2006 – 2008 and £27m for 2008 – 2011; overall figures for the Tees Valley "Place" agenda were £46.6m and £66.15m respectively.

3.9 Key resource issues emerging from this broad analysis are:

- a) Insufficient resources for 2008 – 2011 to meet our needs, unless there can be virement of resources from other parts of the programme;
- b) Danger of slippage from 2006 – 2008 to 2008 – 2011 for which there would be insufficient allocation of resource;
- c) No certainty that any shortfall in public sector funding could be covered by increased private sector investment, given the still vulnerable property market;
- d) No scope to accommodate smaller scale regeneration projects which can emerge as a result of changing circumstances.

4. SUMMARY

4.1 The draft RES Action Plan gives rise to various concerns for Hartlepool and the Tees Valley, particularly in relation to the apparent lack of prioritisation of the Coastal Arc and the substantial reduction in proposed Single Programme funding in 2008 – 2011 for the Place agenda. The lack of recognition of the local authority contribution in relation to much of the business support and skills development / employability agenda and the uncertain prioritisation of the promotion and enhancement of our natural, heritage and cultural assets are further points where clarification would be useful.

- 4.2 Officers are discussing these matters with One North East and I shall comment further at the meeting.

5. RECOMMENDATIONS

- 5.1 That the Portfolio Holder authorises a response to One North East on the RES Action Plan consultation draft in the light of this report and any additional points emerging from the ongoing discussions with One North East.

REGENERATION, LIVE ABILITY & HOUSING PORTFOLIO

Report to Portfolio Holder
16th January 2007

Report of: Director of Neighbourhood Services

Subject: DOG CONTROL ORDERS

SUMMARY

1. PURPOSE OF REPORT

To inform the portfolio holder of the Council's power to make a dog control order under Part 6, section 55 of the Clean Neighbourhoods and Environment Act 2005.

2. SUMMARY OF CONTENTS

Background of current situation and information regarding dog control orders is contained within the report.

3. RELEVANCE TO PORTFOLIO MEMBER

Portfolio Holder has the responsibility for this function.

4. TYPE OF DECISION

Non Key Decision

5. DECISION MAKING ROUTE

Portfolio Holder

6. DECISION(S) REQUIRED

That the Portfolio Holder notes the content of the report and gives approval for the Head of Environmental Management to commence the process of making a Dog Control Order.

Report of: Director of Neighbourhood Services

Subject: DOG CONTROL ORDERS

1. PURPOSE OF REPORT

- 1.1 To inform the portfolio holder of the Council's power to make a dog control order under Part 6, section 55 of the Clean Neighbourhoods and Environment Act 2005.
- 1.2 To provide concise details of a dog control order and to highlight its potential to provide a safer and cleaner environment for the people of Hartlepool.
- 1.3 To inform the portfolio holder of the procedure in making a Dog Control Order.
- 1.4 To seek approval to commence the process of making a dog control order, to replace existing dog byelaws currently in use by the council.

2. CURRENT SITUATION

- 2.1 The Council has a number of byelaws relating to dogs that were introduced to protect the general public. These byelaws consist of the following, and are enforced by the Council's Neighbourhood Action Team:
 - (i) Dogs on leads in Ward Jackson Park, Burn Valley Gardens, Rossmere Park, Seaton Park.
 - (ii) Dogs on leads in Stranton Cemetery and West View Cemetery.
 - (iii) Seasonal ban of dogs on the seashore and corresponding promenades at Seaton Carew, Headland Fish Sands, Headland Black Sands.
- 2.2 The Dogs (Fouling of Land) Act 1996 is used by the Council's Neighbourhood Action Team to reprimand irresponsible dog owners who fail to remove dog faeces forthwith.
- 2.3 With few exceptions, the Dogs (Fouling of Land) Act 1996 applies to any land, which is open to the air and to which the public are entitled or permitted to have access (with or without payment).
- 2.4 Failure to remove dog faeces forthwith is an offence under the Dogs (Fouling of Land) Act 1996 and subject to a maximum fine of level 3 on the standard scale (currently £1,000).
- 2.5 Offenders are able to discharge liability for conviction through payment of a Fixed Penalty Notice of £50.

3. DOG CONTROL ORDERS

- 3.1 In April of 2006, the Clean Neighbourhoods and Environment Act was fully introduced and provided local authorities with a range of new powers to tackle problems in the environment.
- 3.2 Part 6 of the Clean Neighbourhoods and Environment Act 2005 enables local authorities to make dog control orders, which effectively replace the previous system of dog byelaws for the control of dogs, and also the Dogs (Fouling of Land) Act 1996.
- 3.3 Existing byelaws remain in force indefinitely and can continue to be enforced as normal. However, if an authority makes a Dog Control Order in respect of an offence on a specified area of land, any existing byelaw dealing with the same offence on the same land lapses.
- 3.4 Although the Dogs (Fouling of Land) Act 1996 has been repealed, the Order commencing the repeal provision preserves the offence under the 1996 Act in respect of any designation orders made prior to the repeal. Therefore, any orders made under the 1996 Act will continue to have effect, and enforcement through fixed penalty notices (fixed at £50) and prosecution can continue.
- 3.5 The Dogs (Fouling of Land) Act 1996 will cease to have effect only when a Dog Control Order is fully introduced by an authority.
- 3.6 The Dog Control Orders Regulations provide for five offences which may be prescribed in a dog control order:
 - (a) failing to remove dog faeces;
 - (b) not keeping a dog on a lead;
 - (c) not putting, and keeping a dog on a lead when directed to do so by an authorised officer;
 - (d) permitting a dog to enter land from which dogs are excluded;
 - (e) taking more than the specified number of dogs onto land.
- 3.7 The penalty for committing an offence under a Dog Control Order is a maximum fine of level 3 on the standard scale (currently £1,000). Alternatively, the opportunity to pay a fixed penalty may be offered in place of prosecution.
- 3.8 The local authority is able to set the amount of fixed penalty payable.
- 3.9 If no amount is set, then the amount payable is £75.
- 3.10 An authority may make provision for treating the fixed penalty as having been paid if a lesser amount is paid before the end of a period specified by the authority.

4. MAKING A DOG CONTROL ORDER

- 4.1 A Dog Control Order can be made in respect of any land, which is open to the air and to which the public are entitled or permitted to have access (with or without payment).
- 4.2 The Dog Control Orders Regulations 2006 require that before it can make a Dog Control Order, an authority must consult any other primary or secondary authority, or access authority, within the area in which a Dog Control Order is being made.
- 4.3 Authorities must also publish a notice describing the proposed order in a local newspaper circulating in the same area as the land to which the order would apply and invite representations on the proposal.
- 4.4 The notice must:
 - (a) identify the land to which the order will apply (and if it is access land, state that this is the case);
 - (b) summarise the order;
 - (c) if the order will refer to a map, say where the map can be inspected.
 - (d) give the address to which, and by which, representations must be sent to the authority. The final date for representation must be at least 28 days after the publication of the notice.
- 4.5 At the end of the consultation period the authority must consider any representations that have been made. If it then decides to proceed with the order, it must decide when the order will come into force. This must be at least 14 days from which the order was made.
- 4.6 Once an order has been made the authority must, at least 7 days before it comes into force, publish a notice in a local newspaper circulating in the same area as the land to which the order applies stating:
 - (a) that the order has been made; and
 - (b) where the order may be inspected and copies of it obtained.
- 4.7 Where the order affects access land, the authority should send a copy of the notice to the access authority.
- 4.8 Where practicable, signs must be placed summarising the order on land to which the order applies.

5. CONSULTATION

- 5.1 Consultation will take place with the appropriate Forums

6. SUMMARY

- 6.1 Dog Control Orders under Part 6 of the Clean Neighbourhoods and Environment Act 2005 are a welcome new addition to the powers available to the Council as it endeavours to provide a safe and clean environment for the people of Hartlepool.
- 6.2 The effective implementation of these new powers is essential and the Council must consider them fundamental to its key aims and objectives.

7. RECOMMENDATIONS

- 7.1 That the Portfolio Holder gives approval for the Head of Environmental Management to commence the process of making a Dog Control Order.

REGENERATION, LIVEABILITY & HOUSING PORTFOLIO

Report To Portfolio Holder
19th January, 2007

Report of: Head of Community Safety & Prevention

Subject: ANTI -SOCIAL BEHAVIOUR ENFORCEMENT
ACTIVITY

1. PURPOSE OF REPORT

- 1.1 To bring attention to the increasing amount of enforcement activity against Anti-social Behaviour across Hartlepool.

2. ANNUAL HOME OFFICE SURVEY

- 2.1 Each year the Home Office surveys all Crime and Disorder Reduction Partnerships to get a view of the level of enforcement activity across the country. Figures relate to the period from 1st October to 30th September for each year.

- 2.2 Below is the latest return to the Home Office detailing enforcement activity in Hartlepool across a range of measures over three years.

Activity	2003-4	2004-5	2005-6	Total
• ASBO	0	1	1	2
• Interim ASBO	0	1	0	1
• CRASBO	1	3	11	14
• ABA/Cs	6	21	39	66
• ASB related Notice of seeking possession	4	18	27	49
• ASB related evictions carried out by RSLs	0	0	6	6
• Anti-social Behaviour Injunctions (ASBIs)	0	3	2	5
• Crack House Closures	1	1	3	5
• Parenting Orders	14	9	2	25
• Parenting Contracts	44	22	27	93

- 2.3 Of particular note is the year-on-year increase in enforcement activity by Registered Social Landlords. (RSLs). RSLs have been encouraged to take a stronger line on Anti-social Behaviour, and an increasing number have staff dedicated to tenancy enforcement and Anti-social Behaviour.
- 2.4 Parenting Orders are made by the courts, where it is considered that it would be beneficial for the children in a family, to force parents to attend parenting classes.
- 2.5 There is local experience to show that encouraging parents to participate in voluntary parenting classes is more effective.

Report of: Assistant Director (Planning and Economic Development)

Subject: ASSISTED AREA CONSULTATION

1. PURPOSE OF REPORT

- 1.1 To report the outcome of the Assisted Area consultation. This report is for information only.

2. BACKGROUND

- 2.1 At your meeting on 21st April, 2006 I reported that a consultation on Assisted Areas for 2007 - 2013 was being conducted by the DTI. The JSU was undertaking a local consultation exercise with all five Local Authorities. Our response was that the JSU should argue that all of Hartlepool should be given Assisted Area status.
- 2.2 The DTI have now agreed the Assisted Area map with the European Commission. I am pleased to report that all of Hartlepool has been given Assisted Area status.
- 2.3 This will be of great assistance to investment in Hartlepool as it allows the following levels of regional aid to projects not exceeding 50 million euros:
15% for large Companies,
25% for medium sized companies, and
35% for small companies.

3. RECOMMENDATIONS

- 3.1 It is recommended that the contents of this report be noted.
