# Viewing Crime Data

With the **Councillor Portal**, you are able to view crime data across Hartlepool.

**Please note:**

- personal identifiable details will not show on this map
- street-level crimes displayed are only an approximation of where the actual crimes occurred, they are not the exact location
- all information comes directly from publicly available crime data from <https://data.police.uk/>
- Hartlepool Borough Council is not responsible for logging or updating this information

**1** After logging into the portal, select **Crime Map** from the navigation bar

**2** You can decide what data you want to display by choosing the crime category [2] or by selecting the date [3]. When you're happy with your choice, click **Apply filters** [4].

**3** Select a Category : All crime

**4** Select a Date : January 2021

**5** A map, based on your selections in 2-4, will appear showing all the points where crime has occurred. Clicking the pin will show information about the recorded crime.

**6** Clicking the **Police Force Information** button will display information relating to Cleveland Police.

**7** Clickable links giving more information.
