| Officer Making Decision: | MRS J HARRISON |
| Subject / Description & Reason for Decision: <i>(for publication)</i> | <p>We have been approached by Two Temple Place, London, who have requested to borrow Margaret Green, Seaton Carew Beach, HAPMG : 1996.37, oil on canvas board, for their exhibition Lives Less Ordinary commencing 25 January 2025 to 20 April 2025.</p> <p>We are assured that the gallery meets Arts Council GIS levels of security and environment and that the work will be fully insured by them on a nail-to-nail basis, however we will ensure we obtain proof of this before allowing the painting to be collected. Two Temple Place will cover all costs associated with this loan.</p> <p>We are not planning to display this work during the period requested and due to the condition and medium, we would not be prevented from displaying it ourselves either immediately prior to, or following this loan.</p> <p>By allowing this loan to go ahead, we will be demonstrating our willingness to share our collections with new audiences and any new research and the context the work is placed in may increase our own understanding of the works we hold. In addition, we will be reflecting the spirit of generosity and reciprocity that exists across the museum sector and paving the way for future relationships and collaborations.</p> |
